3.2 Units and Ordinary Shares to be Linked

- (a) Subject to **Clause 12**, at all times:
 - (i) all of the issued Ordinary Shares must be registered in the Register of Members in the name of the Trustee-Manager in its capacity as trustee-manager of the Trust;
 - (ii) each Unit issued or to be issued by the Trust must be matched by and linked to a specifically identified Ordinary Share issued or to be issued by the Company to the Trustee-Manager in its capacity as trustee-manager of the Trust;
 - (iii) the Trustee-Manager must not issue or sell any Units to any person unless an identical number of specifically identified Ordinary Shares is or has been issued by the Company to the Trustee-Manager in its capacity as trustee-manager of the Trust, before, or at substantially the same time as, the issue or sale of the relevant Units; and
 - (iv) the Company must not issue or sell any Ordinary Shares unless the Ordinary Shares are specifically identified and issued to the Trustee-Manager in its capacity as trustee-manager of the Trust and an identical number of Units in respect of the relevant specifically identified Ordinary Shares are or will be issued by the Trustee-Manager.
- (b) Each Unit confers on its registered holder a beneficial interest, on and subject to the terms and conditions of this Deed, in a specifically identified Ordinary Share registered in the Register of Members in the name of the Trustee-Manager in its capacity as trustee-manager of the Trust.
- (c) The Trustee-Manager shall distribute the proceeds of any and all dividends, distributions and other payments to be made in respect of the specifically identified Ordinary Shares registered in the Register of Members in the name of the Trustee-Manager to the Registered Holders of the relevant Units which are matched with and linked to those specifically identified Ordinary Shares, upon and subject to the terms and conditions of this Deed (including, without limitation, those terms and conditions permitting certain payments and other deductions to be made out of the Trust Property).

- (d) Each Share Stapled Unit may be exchanged for the specifically identified Ordinary Share which is matched with and linked to the Unit which is a component of the relevant Share Stapled Unit, in accordance with the provisions of **Clause 12**.

3.3 Units and Preference Shares to be Stapled

- (a) In addition to the requirements under **Clause 3.2** for each Unit to be matched by and linked to a specifically identified Ordinary Share held by the Trustee-Manager in its capacity as trustee-manager of the Trust, at all times, subject to **Clause 12**:
 - (i) each Unit issued or to be issued by the Trust must be Stapled to a specifically identified Preference Share issued or to be issued by the Company;
 - (ii) the Trustee-Manager must not issue or sell any Units to any person unless an identical number of specifically identified Preference Shares is or has been issued by the Company and those Preference Shares are issued or transferred, to the same persons to whom the Units are issued or sold (and registered in the Register of Members or the Hong Kong Branch Register of Members in the names of the same persons in which the Units are registered in the Units Register), in the ratio of one specifically identified Preference Share for each Unit and on the basis that each specifically identified Preference Share is Stapled to a Unit so that one may not be dealt with without the other. The Preference Shares may be issued by the Company, at the request of the Trustee-Manager, directly to the subscribers for, or purchasers of, Share Stapled Units. Alternatively, the Preference Shares may be issued by the Company to the Trustee-Manager upon terms that the Trustee-Manager must Staple each Preference Share to a Unit and transfer the Preference Shares to the subscribers for, or purchasers of, Share Stapled Units together with (and Stapled to) the Units. For the avoidance of doubt, Preference Shares issued by the Company to the Trustee-Manager under this provision are only issued for the purpose of transferring to the subscribers or purchasers of the Share Stapled Units and for Stapling the Preference Shares to the Units, and not for the Trustee-Manager to hold as part of the Trust Property; and
 - (iii) the Company must not issue or sell any Preference Shares unless the Preference Shares are issued in accordance with **Clause 3.3(a)(ii)**.
- (b) Each Unit must be Stapled to a specifically identified Preference Share (and *vice versa*) on or immediately after the later of:
 - (i) the date of issue of a Unit; and
 - (ii) the date of issue of a Preference Share.

3.4 Issue and Transfers of Units and Shares

- (a) Subject to **Clause 12**, the Trustee-Manager and the Company must not:
- (i) do any act, matter or thing (including registering any transfer of any Unit or any Share); or
 - (ii) refrain from doing any act, matter or thing,
- if to do so or refrain from doing so (as the case may be) would result directly or indirectly in:
- (1) the number of issued Units no longer being equal to the number of issued Ordinary Shares;
 - (2) the number of issued Units no longer being equal to the number of issued Preference Shares;
 - (3) the number of issued Ordinary Shares no longer being equal to the number of issued Preference Shares;
 - (4) any Unit no longer being Linked to an underlying specifically identified Ordinary Share registered in the Register of Members in the name of the Trustee-Manager in its capacity as trustee-manager of the Trust;
 - (5) any Unit no longer being Stapled to a specifically identified Preference Share; or
 - (6) any Preference Share no longer being Stapled to a Unit.
- (b) Without limiting the provisions of **Clause 3.4(a)**, but subject to **Clause 12**, the Trustee-Manager:
- (i) must not offer any Units for subscription or sale unless:
 - (1) the Company has agreed to issue an identical number of specifically identified Ordinary Shares to the Trust and the Trustee-Manager agrees to subscribe for or buy in its capacity as trustee-manager of the Trust a number of Ordinary Shares equal to the number of Units to be offered by the Trustee-Manager;
 - (2) an identical number of specifically identified Preference Shares is offered to the same persons to whom the Units are offered for subscription or sale, in the ratio of one specifically identified Preference Share for each Unit; and
 - (3) the terms of the offer of Units require each offeree to subscribe for or buy or otherwise receive a number of specifically identified Preference Shares equal to the number of Units subscribed for or bought;

- (ii) must not issue or sell any Units to any person unless (1) an identical number of specifically identified Preference Shares is also issued, sold or transferred to the same person at the same time (and registered in the name of the same person), in the ratio of one specifically identified Preference Share for each Unit and (2) an identical number of specifically identified Ordinary Shares is also issued to the Trustee-Manager in its capacity as trustee-manager of the Trust or the beneficial interest in an identical number of specifically identified Ordinary Shares with which the Units are Linked is sold or transferred to the same person at the same time, in the ratio of one specifically identified Ordinary Share for each Unit;
 - (iii) except for the repurchase and cancellation of the Preference Shares by the Company under **Clause 12.4** following the exercise of the Exchange Right and the redemption of the Preference Shares by the Company under **Clause 25.4** on termination of the Trust for any reason other than exercise of the Exchange Right, must not consolidate, sub-divide, cancel, buy-back or redeem any Units unless there is also a corresponding consolidation, sub-division, cancellation, buy-back or redemption of both the issued specifically identified Ordinary Shares Linked to the relevant Units and the issued specifically identified Preference Shares Stapled to the relevant Units; and
 - (iv) must not register any transfer of any Unit unless there is a matching transfer of:
 - (1) the beneficial interest in the specifically identified Ordinary Share with which the Unit is Linked; and
 - (2) the specifically identified Preference Share to which the Unit is Stapled.
- (c) Without limiting the provisions of **Clause 3.4(a)**, but subject to **Clause 12**, the Company:
- (i) must not offer any Shares for subscription or sale unless the offer comprises an equal number of Ordinary Shares and Preference Shares and:
 - (1) the offer of all the Ordinary Shares is made to the Trustee-Manager and is made in connection with an offer by the Trustee-Manager of an identical number of Units for issue or sale; and
 - (2) the offer of all the Preference Shares is made in accordance with the provisions of **Clause 3.3(a)(ii)**;
 - (ii) must not offer any Ordinary Shares for subscription or sale otherwise than to the Trustee-Manager in its capacity as trustee-manager of the Trust;
 - (iii) must not offer any Preference Shares for subscription or sale or issue or sell any Preference Shares otherwise than in accordance with the provisions of **Clause 3.3(a)(ii)**;

- (iv) must not consolidate, sub-divide, cancel, buy-back or redeem any Shares unless there is also a corresponding consolidation, sub-division, cancellation, buy-back or redemption of the Units in the Trust and of both the issued specifically identified Ordinary Shares which are Linked to the relevant Units and the issued specifically identified Preference Shares which are Stapled to the relevant Units; and
- (v) must not register any transfer of any:
 - (1) beneficial interest in any Ordinary Share in the Register of Beneficial Interests; or
 - (2) Preference Share in the Register of Members or the Hong Kong Branch Register of Members,

unless there is a matching transfer in the Units Register, to the same person(s), of the Unit with which the relevant Ordinary Share is Linked and to which the relevant Preference Share is Stapled.

3.5 Issue of Units by the Trustee-Manager

- (a) Units may only be issued in combination with a specifically identified Ordinary Share and Preference Share, as a component of a Share Stapled Unit.
- (b) Subject to **Clauses 3.5(d)** and **3.5(e)**, if the Trustee-Manager notifies the Company that the Trustee-Manager proposes to issue Units, the Company must cause the issue of:
 - (i) an identical number of specifically identified Ordinary Shares to the Trustee-Manager in its capacity as trustee-manager of the Trust; and
 - (ii) an identical number of specifically identified Preference Shares in accordance with the provisions of **Clause 3.3(a)(ii)**, so that the specifically identified Preference Shares are issued, or sold or transferred, to (and registered in the respective names of) the same persons to whom the Units are issued.
- (c) The provisions of **Clause 3.5(b)** shall apply equally to any issue of Units pursuant to any Convertible Instrument.
- (d) The Trustee-Manager and the Company must consent to the issue of and agree the terms of issue, including the price, of any Share Stapled Units and each of the individual components (Units, Ordinary Shares and Preference Shares), or any Convertible Instruments to be issued by the Trustee-Manager and the Company, in each case, before any offer to issue or sell the relevant securities is made.
- (e) The obligations of the Company under **Clause 3.5(b)** are subject to the Relevant Laws and Regulations, the Articles and any consent or other approval from any necessary authority.

3.6 Issue of Shares by the Company

- (a) Subject to **Clauses 3.6(b)** and **3.6(c)**, if the Company notifies the Trustee-Manager that the Company proposes to issue:
 - (i) Ordinary Shares, the Company must also issue an identical number of Preference Shares in accordance with the provisions of **Clause 3.3(a)(ii)** and the Trustee-Manager must cause the issue of an identical number of Units; or
 - (ii) Preference Shares, the Company must also issue an identical number of Ordinary Shares in accordance with the provisions of **Clause 3.2** and the Trustee-Manager must cause the issue of an identical number of Units.
- (b) The Company and the Trustee-Manager must consent to the issue of, and agree the terms of issue, including the price, of any Shares to be issued by the Company before any offer to issue or sell such Shares is made.
- (c) The Company shall pay the expenses of the issue and delivery of, and all expenses of obtaining listing for, Shares issued to or at the request of the Trustee-Manager.
- (d) The obligations of the Company and the Trustee-Manager under **Clause 3.6(a)** are subject to the requirements of the Relevant Laws and Regulations, this Deed and any consent or other approval from any necessary authority.

3.7 Units and Ordinary Shares to Remain Linked and Units and Preference Shares to Remain Stapled

3.9 Share Stapled Units to Remain Listed and Price Quotation

- (a) Subject to **Clause 3.10**, the Trustee-Manager and the Company shall use all their respective reasonable endeavours to maintain a listing on the Hong Kong Stock Exchange for:
- (i) all the issued Share Stapled Units for the time being; and
 - (ii) each individual security which is a component of the Share Stapled Units, being all the issued Units, Ordinary Shares and Preference Shares for the time being,

provided that, for as long as the Share Stapled Units remain listed on the Hong Kong Stock Exchange, there shall be a single price quotation for a Share Stapled Unit incorporating the three components described in the definition of Share Stapled Unit in **Clause 1.1** and there will not be separate published price quotations for the listed Units, listed Ordinary Shares or listed Preference Shares comprising the Share Stapled Units.

- (b) If the Trustee-Manager and the Company are unable to obtain or maintain such listing having used such reasonable endeavours, the Trustee-Manager and the Company shall use all reasonable endeavours to obtain and maintain a listing for such Share Stapled Units (as a single composite security) on any other recognised stock exchange selected by the Trustee-Manager and the Company and approved by an Ordinary Resolution of Registered Holders of Units and otherwise approved in accordance with any applicable requirements of the Listing Rules (an *Alternative Stock Exchange*); and references in this Deed to the Hong Kong Stock Exchange in respect of the Share Stapled Units and/or their component parts (being the Units, the Ordinary Shares and the Preference Shares) shall thereafter be construed as applying to such Alternative Stock Exchange.
- (c) In addition, the Trustee-Manager and the Company may jointly agree to cause the Trust and the Company to be secondarily listed on any Alternative Stock Exchanges or cause the Trust and the Company to have a dual primary listing on such Alternative Stock Exchange and the Hong Kong Stock Exchange. The listing of the Trust on the Hong Kong Stock Exchange and any secondary or dual primary listing shall be at the cost and expense of the Trust, which may be paid out of the Trust Property. The listing of the Company on the Hong Kong Stock Exchange and any secondary listing shall be at the cost and expense of the Company. In the case of any such secondary or dual primary listing, the Share Stapled Units must be listed (as a single composite security) and references in this Deed to the Hong Kong Stock Exchange in respect of the Share Stapled Units shall thereafter be construed as including the relevant Alternative Stock Exchange(s) on which the Share Stapled Units are also listed.
- (d) The Trustee-Manager and the Company are entitled to take such actions, including making modifications, alterations or additions to the provisions of this Deed in accordance with the provisions of **Clause 26**, as may be required of the Trust and/or the Company to comply with all applicable rules of the Hong Kong Stock Exchange and any Alternative Stock Exchanges on which the Share Stapled Units are listed and the conditions of any applicable exemptions and waivers granted by the Hong Kong Stock Exchange and any such Alternative Stock Exchanges in this connection.

- (a) No party may cause a placement, rights issue, distribution or dividend reinvestment plan or perform any other corporate action which requires an announcement to be made under the Listing Rules, without the prior consent of both parties.
- (b) Except for the repurchase and cancellation of the Preference Shares by the Company under **Clause 12.4** following the exercise of the Exchange Right and the redemption of the Preference Shares by the Company under **Clause 25.4** on termination of the Trust for any reason other than exercise of the Exchange Right, no party may buy-back, repurchase or redeem Share Stapled Units or Units or Shares (as the case requires) without the prior consent of both parties and complying with the requirements of **Clauses 3** and **5.12**.

4.5 Information

- (a) Each party agrees to make available to the other all information in the party's possession as may be necessary or desirable to fulfil the respective obligations of the parties under this Deed or any other document, deed or arrangement relating to the Share Stapled Units, the Units and/or the Shares.
- (b) Subject to **Clause 4.5(c)**, each party must keep confidential any information obtained concerning the affairs or assets of the other party and not use it for any purpose other than those set out in **Clause 4.5(a)**.
- (c) A party may disclose any information:

4.7 Co-ordinate Meetings of Registered Holders of Units and Shareholders

- (a) The Trustee-Manager and the Company shall ensure that:
 - (i) a meeting of Shareholders is not convened and held unless a meeting of Registered Holders of Units is also convened and held either as a combined meeting with the meeting of Registered Holders of Units or separately but consecutively with (and immediately after) the meeting of Registered Holders of Units; and
 - (ii) a meeting of Registered Holders of Units is not convened and held unless a meeting of Shareholders is also convened and held.
- (b) To the extent permitted under the Relevant Laws and Regulations, meetings of Registered Holders of Units and meetings of Shareholders convened under **Clause 4.7(a)** shall be held on a combined basis as a single meeting characterised as a Meeting of Registered Holders of Share Stapled Units.

- (c) If that is not possible under the Relevant Laws and Regulations, the meetings convened under **Clause 4.7(a)** shall be held separately and consecutively, with the meeting of Registered Holders of Units being held immediately prior to the meeting of Shareholders. The meeting of Registered Holders of Units is required to be held immediately prior to the meeting of Shareholders in order to enable the Registered Holders of Units, by exercising the voting rights conferred by the Units held by them, to give directions to the Trustee-Manager as to how to vote the specifically identified Ordinary Shares held by the Trustee-Manager which are Linked to those Units, in respect of the resolution(s) to be proposed at the meeting of Shareholders.
- (d) In relation to a Meeting of Registered Holders of Share Stapled Units, to the extent practicable, a single resolution shall be proposed to approve the matter to be considered by the Registered Holders of Units and the Shareholders, which resolution shall be characterised as a resolution of the Registered Holders of Share Stapled Units and shall serve as both a resolution of Registered Holders of Units and a resolution of Shareholders.
- (e) In relation to meetings of Registered Holders of Units and Shareholders to be held separately but consecutively in accordance with **Clause 4.7(c)**, to the extent practicable, the same or a substantially similar resolution (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently) shall be proposed for consideration at each meeting.
- (f) In relation to both Meetings of Registered Holders of Share Stapled Units and meetings of Registered Holders of Units and Shareholders to be held separately but consecutively in accordance with **Clause 4.7(c)**:
 - (i) in respect of each individual Share Stapled Unit, the voting rights conferred by a Unit and the specifically identified Preference Share which is Stapled to it, which are components of the relevant Share Stapled Unit, can only be exercised in the same way (either for or against) in respect of (as the case may be) (1) a single resolution of Registered Holders of Units and Shareholders proposed at a Meeting of Registered Holders of Share Stapled Units or (2) a resolution of Registered Holders of Units and a resolution of Shareholders dealing with the same, or substantially the same, matter proposed at separate but consecutive meetings of Registered Holders of Units and Shareholders referred to in **Clause 4.7(c)** (and shall not be exercised in favour of one resolution but against the other); and
 - (ii) a Registered Holder of a Share Stapled Unit shall cast a single vote in respect of that Share Stapled Unit, either for or against the relevant resolution(s), which shall serve as a vote in respect of both the Unit and the Preference Share constituting that Share Stapled Unit, either for or against (as the case may be) in respect of (as the case may be) (1) a resolution of Registered Holders of Share Stapled Units proposed at a Meeting of Registered Holders of Share Stapled Units, or (2) a resolution of Registered Holders of Units and a resolution of Shareholders which deal with the same, or substantially the same, matter proposed at meetings of Registered Holders of Units and Shareholders held separately but consecutively in accordance with **Clause 4.7(c)**.

- (g) A Registered Holder of Share Stapled Units holding more than one Share Stapled Unit may vote some of the Share Stapled Units registered in his name in favour of a resolution proposed at a Meeting of Registered Holders of Share Stapled Units and some of them against the relevant resolution provided that the provisions of **Clause 4.7(f)** are complied with in respect of each individual Share Stapled Unit registered in his name. Similarly, a Registered Holder of Share Stapled Units holding more than one Share Stapled Unit may vote some of the Share Stapled Units registered in his name in favour of both resolutions dealing with the same, or substantially the same, matter proposed at separate meetings of Registered Holders of Units and Shareholders held consecutively under **Clause 4.7(c)** and some of them against both those resolutions, provided that the provisions of **Clause 4.7(f)** are complied with in respect of each individual Share Stapled Unit registered in his name.

4.8 Requirements for the Exercise by the Trustee-Manager of the Voting Rights Conferred by the Ordinary Shares

- (a) The Trustee-Manager shall exercise the voting rights conferred by the Ordinary Shares held by it in respect of a resolution proposed at a Meeting of Registered Holders of Share Stapled Units in the same way (either for or against the relevant resolution) as the votes conferred by the Units to which those Ordinary Shares are Linked are or have been exercised in respect of the same resolution.
- (b) In relation to any resolution to be proposed at a meeting of Shareholders to be held separately but consecutively with a meeting of Registered Holders of Units in accordance with **Clause 4.7(c)**, a corresponding resolution shall first be proposed at the meeting of Registered Holders of Units convened under **Clause 4.7(a)**. This is to enable Registered Holders of Units, by exercising the voting rights conferred by the Units held by them, to give directions to the Trustee-Manager as to how to vote the specifically identified Ordinary Shares held by the Trustee-Manager which are Linked to those Units, in respect of the resolution(s) to be proposed at the meeting of Shareholders.
- (c) Subject to **Clause 4.8(a)**, the Trustee-Manager shall only exercise the voting rights conferred by the Ordinary Shares held by it in respect of a resolution proposed at a meeting of Shareholders:
 - (i) if a meeting of Registered Holders of Units is or has been convened and held to consider the same, or substantially the same, matter (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently) or to determine how the Trustee-Manager should exercise the voting rights conferred by the Ordinary Shares at the meeting of Shareholders; and
 - (ii) in the same way (either for or against the relevant resolution) as the votes conferred by the Units to which those Ordinary Shares are Linked are or have been exercised in respect of the resolution of Registered Holders of Units referred to in **Clause 4.8(c)(i)**.
- (d) In respect of a resolution of Shareholders to be proposed at a Meeting of Registered Holders of Share Stapled Units, the Trustee-Manager shall not exercise the voting rights conferred by the Ordinary Shares held by it which are Linked to Units in respect of which no voting rights are or have been exercised at the relevant Meeting of Registered Holders of Share Stapled Units.

- (e) Similarly, in respect of a resolution of Shareholders to be proposed at a separate but consecutive meeting of Shareholders held in accordance with **Clause 4.7(c)**, the Trustee-Manager shall not exercise the voting rights conferred by the Ordinary Shares held by it which are Linked to Units in respect of which no voting rights have been exercised at a meeting of Registered Holders of Units convened under **Clause 4.8(c)(i)** to consider the same or substantially the same matter or to determine how the Trustee-Manager should exercise the voting rights conferred by the Ordinary Shares.

4.9 Forms of Proxy and Voting Papers

- (a) To the extent permitted by the Relevant Laws and Regulations, in the case of a Meeting of Registered Holders of Share Stapled Units, the form of proxy to be provided to Registered Holders of Share Stapled Units, and the form of voting paper, will, in each case, be a single, composite, form. Unless otherwise expressly stated in the form of proxy or the form of voting paper provided for use in respect of the Meeting of Registered Holders of Share Stapled Units, the effect of completing a form of proxy or voting paper (as the case may be) indicating a vote either for or against a resolution characterised in the form of proxy or voting paper as a resolution of Registered Holders of Share Stapled Units to be proposed at a Meeting of Registered Holders of Share Stapled Units shall be that the vote given in respect of the Share Stapled Units in question shall constitute:
 - (i) a vote of the Units included in the Share Stapled Units, in respect of any required resolution of Registered Holders of Units;
 - (ii) a vote of the Preference Shares Stapled to those Units in respect of any required resolution of Shareholders; and
 - (iii) an instruction to the Trustee-Manager to vote the number of Ordinary Shares Linked to the relevant Units in the same way (either for or against) in respect of any required resolution of Shareholders.
- (b) To the extent permitted by the Relevant Laws and Regulations, in the case of meetings of Registered Holders of Units and Shareholders held separately but consecutively under **Clause 4.7(c)** to consider the same, or substantially the same, resolution (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently), the form of proxy and the form of voting paper provided for use in respect of the meeting of Registered Holders of Units shall, unless expressly stated otherwise in the relevant form, have the effect that the vote given in respect of Units either for or against a resolution shall also constitute an instruction to the Trustee-Manager to vote the same number of Ordinary Shares which are Linked to the Units in the same way (either for or against) in respect of the resolution dealing with the same, or substantially the same, matter at the separate but consecutive meeting of Shareholders.
- (c) The forms of proxy and voting paper provided for use in respect of the meetings referred to in **Clauses 4.9(a)** and **4.9(b)** above shall contain prominent statements detailing the effect of completing the relevant form indicating a vote either for or against the relevant resolution(s).

4.10 Effect of Meetings of Registered Holders of Share Stapled Units

To the extent permitted by the Relevant Laws and Regulations and the Articles, a Meeting of Registered Holders of Share Stapled Units shall constitute:

- (b) A **Rights Issue** means an offer of Share Stapled Units and/or Convertible Instruments to all existing Registered Holders of Share Stapled Units on a *pro rata* basis and an offer of Share Stapled Units and/or Convertible Instruments shall be considered and deemed to be made on a *pro rata* basis notwithstanding that (1) the Trustee-Manager and the Company acting jointly may, after making due enquiry regarding the applicable jurisdiction, determine that Share Stapled Units and/or Convertible Instruments are not to be offered to some or all of the persons whose addresses are outside Hong Kong, and/or that the Share Stapled Units and/or Convertible Instruments shall be offered on a basis, or containing such other terms, providing for any such other exclusions or adjustments determined by the Trustee-Manager and the Company acting jointly, if the Trustee-Manager and the Company by mutual agreement between them consider such exclusions or adjustments to be necessary or expedient in relation to fractional entitlements or having regard to any restrictions or obligations under the laws, or under the requirements of any recognised regulatory body or stock exchange, of any territory or jurisdiction outside Hong Kong and/or (2) where and to the extent that Registered Holders of Share Stapled Units do not accept any offer of Share Stapled Units and/or Convertible Instruments within the applicable period for acceptance (as determined by the Trustee-Manager and the Company acting jointly by mutual agreement between them), such Share Stapled Units and/or Convertible Instruments may be offered or made available to, and taken up by, other persons as determined by the Trustee-Manager and the Company acting jointly by mutual agreement between them, subject to compliance with the Relevant Laws and Regulations (including the applicable Listing Rules).

5.8 Connected Underwriting

- (c) The Trustee-Manager and the Company shall not be bound to accept an application for an issue of Share Stapled Units pursuant to an initial public offering of Share Stapled Units giving rise to a holding of fewer than 500 Share Stapled Units (or such other number of Share Stapled Units as may be determined by the Trustee-Manager and the Company by mutual agreement).

- (c) the timetable for, and application procedures relating to, the Initial Public Offering.

6.2 Issue Price After Listing Date

- (a) After the Listing Date, and for so long as the Share Stapled Units are listed on the Hong Kong Stock Exchange, the Trustee-Manager and the Company may jointly, by mutual agreement between them, effect or agree to effect the issue of Share Stapled Units (whether directly, or pursuant to any Convertible Instruments) (either for cash or other consideration) pursuant to a general mandate granted under **Clause 5.3** on any Business Day at an Issue Price per Share Stapled Unit that is equal to the Market Price or, in their joint discretion, at a discount of not more than 20% (or such other percentage as may, from time to time, be prescribed by the Listing Rules) to the Market Price, or on the pricing basis as may be approved by an Ordinary Resolution of Registered Holders of Units pursuant to **Clause 6.2(b)**. In the case of any Convertible Instruments or agreements, the Issue Price shall be construed as meaning the initial price per Share Stapled Unit at which Share Stapled Units are to be issued pursuant to such Convertible Instruments or agreements, before any adjustments which may apply thereunder (the *Initial Issue Price*).
- (b) An issue of new Share Stapled Units pursuant to a general mandate granted under **Clause 5.3** at an Issue Price that is at a discount of more than 20% (or such other percentage as may, from time to time, be prescribed by the Listing Rules) to the Market Price shall require specific prior approval by an Ordinary Resolution of Registered Holders of Units.

In such cases, the Issue Price shall be determined by the Trustee-Manager and the Company in their joint discretion.
- (d) For the purposes of this **Clause 6.2**, *Market Price* shall mean the price as determined by the Trustee-Manager and the Company jointly, by mutual agreement between them, being the higher of:
- (i) the closing price of the Share Stapled Units on the Hong Kong Stock Exchange on the Trading Day immediately preceding the date of the relevant agreement or other instrument for (1) the proposed issue of Share Stapled Units or (2) the proposed issue of any Convertible Instruments; and

The Trustee-Manager shall pay the Issue Price to the Company on such date as the Trustee-Manager and the Company shall agree. If no payment is received within the prescribed period, the agreement to issue such Share Stapled Units shall lapse automatically and the Share Stapled Units shall be cancelled, unless at that time the Trustee-Manager and the Company jointly agree in writing to extend the payment period. - (a) the Trustee-Manager and the Company, acting jointly by mutual agreement between them, shall have the right to charge the applicant a cancellation fee of such amount as they may from time to time jointly determine to represent the administrative costs involved in processing the application for such Share Stapled Units from such applicant (such fee shall be retained as part of the Trust Property); and
- (b) this **Clause 6.3** shall not apply to any Share Stapled Units which are issued (i) to the stabilising manager or the underwriters in accordance with **Clause 17.4(b)**; (ii) in connection with the Initial Public Offering; or (iii) in accordance with the Prospectus or any other Offering Circular.

 - (ii) co-ordinate disclosure to the Hong Kong Stock Exchange.

- (d) Each of the Trustee-Manager and the Company must:
 - (i) give notice (of a period reasonable in all the circumstances) to the other of its intention to enter into a transaction which would constitute a notifiable transaction for the Trust or the Company under Chapter 14 of the Listing Rules (or any successor provisions to those in Chapter 14) at the time of giving such notice; and
 - (ii) not enter into such a transaction without having first consulted with the other.

The Trustee-Manager and the Company shall procure that the specifically identified Ordinary Shares held by the Trustee-Manager and Linked to the Units and the specifically identified Preference Shares Stapled to the Units shall each be sub-divided or consolidated (as the case may be) on the same terms, *mutatis mutandis*, as the Units which are being sub-divided or consolidated (as the case may be).

- (b) The Units Register shall be altered accordingly to reflect the new number of Units held by each Registered Holder of Units as a result of such sub-division or consolidation. Save as provided in this Deed, no notice of any trust, express, implied or constructive, shall be entered on the Units Register.

8.4 Restrictions

The Unitholders shall not give any directions to the Trustee-Manager (whether at a meeting of Registered Holders of Units or at a Meeting of Registered Holders of Share Stapled Units, or otherwise) if it would require the Trustee-Manager to do or omit doing anything which may result in the Trust or the Trustee-Manager or the Company ceasing to comply with the Relevant Laws and Regulations.

 - (i) a transfer of Share Stapled Units shall be effected (1) by an instrument of transfer in writing in such form as the Trustee-Manager and the Company may from time to time approve or in a form prescribed by the Hong Kong Stock Exchange, accompanied by the Certificate(s) issued in respect of the relevant Share Stapled Units or (2) in any other manner as the Trustee-Manager and the Company may from time to time approve; and

The instrument of transfer need not be a deed. The Trustee-Manager and the Company may also agree, upon request by the transferor or the transferee, to accept mechanically executed transfers. Instruments of transfer executed by machine imprinted signatures of a clearing house shall be acceptable.
- (c) Every instrument of transfer referred to in **Clause 9.7(b)** must be duly stamped (if required by law) and left with the Registrar (or where there is no Registrar, with the Trustee-Manager) for registration accompanied by the Certificate(s) issued in respect of the relevant Share Stapled Units and any necessary declarations or other documents that may be required in consequence of any Relevant Laws and Regulations and by such evidence as the Registrar or the Trustee-Manager or the Company may require to prove the title of the transferor or his right to transfer the Share Stapled Units. The Registrar (or where there is no Registrar, the Trustee-Manager) may dispense with the production of any Certificate which shall have become lost, stolen or destroyed upon compliance by the transferor with the like requirements to those arising in the case of an application by him for the replacement thereof.

- (d) In respect of Share Stapled Units which are not deposited with CCASS, the Trustee-Manager and the Company shall alter or cause to be altered the Share Stapled Units Register (and the other Registers) to record the date of each transfer of Share Stapled Units and the name and address of the transferee.
 - (e) Each new Certificate to be issued upon the transfer of Share Stapled Units shall, within 10 Business Days of receipt by the Registrar of the duly completed instrument of transfer and the original Certificate and any other documents required under **Clause 9.7(c)**, in accordance with the requirements of this **Clause 9.7**, be made available for collection at the specified office of the Registrar (or where there is no Registrar, at the office of the Trustee-Manager) or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Share Stapled Units (but free of charge to the holder) to the address specified in the instrument of transfer.
 - (f) Where only some of the Share Stapled Units in respect of which a Certificate is issued are to be transferred, a new Certificate in respect of the Share Stapled Units not so transferred shall, within 10 Business Days of deposit or surrender of the original Certificate with or to the Registrar (or where there is no Registrar, with or to the Trustee-Manager), be made available for collection at the specified office of the Registrar or, if so requested by the relevant Registered Holder of Share Stapled Units, be mailed by uninsured mail at the risk of the relevant Registered Holder of Share Stapled Units (but free of charge to the Registered Holder of Share Stapled Units) not so transferred to the address of such Registered Holder of Share Stapled Units appearing on the Share Stapled Units Register.

 - (ii) in multiples of one Share Stapled Unit.
- No transfer shall be registered if the registration thereof would result in the transferor or the transferee being a registered holder of less than one Share Stapled Unit.
- (j) No transfer or purported transfer of a Share Stapled Unit other than a transfer made in accordance with this **Clause 9.7** shall entitle the transferee to be registered in respect thereof. No notice of such transfer or purported transfer (other than as aforesaid) shall be entered upon the Share Stapled Units Register or any other Register.
 - (k) The Trustee-Manager and the Company shall not have a lien on any Share Stapled Unit which is fully paid up.

- (l) Subject to the Relevant Laws and Regulations and to any order of any court of competent jurisdiction or other competent authority, the Trustee-Manager and the Company shall not be entitled to refuse to register a transfer of any Share Stapled Unit which is fully paid up and which is made in accordance with this **Clause 9.7**.

Notwithstanding anything to the contrary in this Deed, the Registrar, or where there is no Registrar, the Trustee-Manager, shall not be bound to register more than one person as the Registered Holder of any Share Stapled Unit or more than four persons as Joint Registered Holders of any Share Stapled Unit. Persons registered as Joint Registered Holders of a Share Stapled Unit hold such Share Stapled Unit as joint tenants and not as tenants in common unless the Trustee-Manager otherwise agrees. Joint Registered Holders of Share Stapled Units shall be jointly and severally liable in respect of all payments, including, but not limited to, payment of the Issue Price and any applicable Tax, which ought to be made in respect of the Share Stapled Units (or any option to subscribe for Share Stapled Units). Only the person whose name appears first in the Share Stapled Units Register as one of the Joint Registered Holders of a Share Stapled Unit is entitled to delivery of any notices, cheque or other communications from the Trustee-Manager or the Company and any notice, cheque or other communication given to that person is deemed to be given to all Joint Registered Holders of the Share Stapled Units.

The executors, administrators or other personal representatives of a deceased Registered Holder of Share Stapled Units (not being a Joint Registered Holder of Share Stapled Units) shall be the only persons recognised by the Trustee-Manager and the Company as having title to the Share Stapled Units. In case of the death of any one of the Joint Registered Holders of Share Stapled Units, subject to applicable law, the survivor(s), upon producing such evidence of death as the Trustee-Manager and the Company (or the Registrar on their behalf) may require, shall be the only person or persons recognised by the Trustee-Manager and the Company as having any title to or interest in the Share Stapled Units provided that where the sole survivor is a Minor, the Trustee-Manager and the Company shall act only on the requests, applications or instructions of the surviving Minor after he attains the age of 18 years and shall not be obliged to act on the requests, applications or instructions of the heirs, executors or administrators of the deceased Joint Registered Holder of Share Stapled Units, and shall not be liable for any claims or demands whatsoever by the heirs, executors or administrators of the deceased Joint Registered Holder of Share Stapled Units, or for any claims or demands whatsoever by the Minor Joint Registered Holder of Share Stapled Units or the Minor Joint Registered Holder of Share Stapled Units' legal guardian in omitting to act on any request, application or instruction given by the Minor before he attains such age.

9.11 Minors

A Minor shall not be registered as a sole Registered Holder of Share Stapled Units but may be registered as a Joint Registered Holder of Share Stapled Units provided that each of the other Joint Registered Holders of Share Stapled Units is a person who has attained the age of 18 years. In the event that one of the Joint Registered Holders of Share Stapled Units is a Minor, the Trustee- Manager need only act on the instructions given by the adult Joint Registered Holder of Share Stapled Units.

- (a) Any person becoming entitled to a Share Stapled Unit in consequence of the death, bankruptcy, insolvency or liquidation of any Registered Holder of Share Stapled Units or being the survivor of Joint Registered Holders of Share Stapled Units may (subject as hereinafter provided), upon producing such evidence as to his title as the Registrar (or where there is no Registrar, as the Trustee-Manager and the Company) shall think sufficient, either be registered himself as Registered Holder of such Share Stapled Unit (upon giving to the Registrar, or where there is no Registrar, to the Trustee-Manager and the Company, notice in writing of his desire) or transfer such Share Stapled Unit to some other person. The Registrar (or where there is no Registrar, the Trustee-Manager and the Company) shall upon the receipt by it or them (as the case may be) of any such notice alter or cause to be altered the Share Stapled Units Register and other applicable Registers accordingly. All the limitations, restrictions and provisions of this Deed relating to transfers shall be applicable to any such notice or transfer as if the death or bankruptcy had not occurred and such notice or transfer were a transfer executed by the Registered Holder of Share Stapled Units.
- (b) Any person becoming entitled to a Share Stapled Unit in consequence of death, bankruptcy, insolvency or liquidation as aforesaid may give an effective receipt (which shall discharge the Registrar, the Trustee-Manager and the Company (or where there is no Registrar, the Trustee-Manager and the Company)) for all monies payable in respect of the Share Stapled Unit but he shall not be entitled in respect thereof to receive notices of or to attend or vote at any meeting of Registered Holders of Units or at any meeting of Shareholders (or at any meeting characterised as a meeting of Registered Holders of Share Stapled Units) until he shall have been registered as the Registered Holder of such Share Stapled Unit in the Share Stapled Units Register or unless (in the case of attendance and voting at any meeting of Registered Holders of Units or at any meeting of Shareholders) at least 48 hours before the time of the holding of such a meeting or adjourned meeting or postponed meeting (as the case may be) at which he proposes to vote, he shall satisfy the Trustee-Manager and the Company of his right to be registered as the holder of such Share Stapled Unit or the Trustee-Manager and the Company shall have previously admitted his right to vote at such meeting in respect thereof. Any person who by operation of law, transfer or other means whatsoever shall become entitled to any Share Stapled Unit shall be bound by every notice in respect of such Share Stapled Unit which prior to his name and address being entered on the Share Stapled Units Register shall have been duly given to the person from whom he derives his title to such Share Stapled Unit. Any notice or document delivered or sent to any Registered Holder of Share Stapled Units pursuant to this Deed shall, notwithstanding that such Registered Holder of Share Stapled Units be then deceased and whether or not the Trustee-Manager and/or the Company has notice of his death, be deemed to have been duly served in respect of any registered Share Stapled Units whether held solely or jointly with other persons by such Registered Holder of Share Stapled Units until some other

person be registered in his stead as the holder or joint holder thereof, and such service shall for all purposes of this Deed be deemed a sufficient service of such notice or document on his executors, administrators or other personal representatives and all persons (if any) jointly interested with him in any such Share Stapled Units.

- (c) The Registrar (or where there is no Registrar, the Trustee-Manager and the Company) may retain any monies payable in respect of any Share Stapled Unit which any person is, under the provisions as to the transmission of Share Stapled Units hereinbefore contained, entitled to be registered as the Registered Holder of Share Stapled Units, or which any person under those provisions is entitled to the transfer of, until such person shall be registered as the Registered Holder of such Share Stapled Units or shall duly transfer the same.

The right of the Registered Holders of Share Stapled Units to exchange their Share Stapled Units for Ordinary Shares is called the *Exchange Right* in this Deed. Any such Extraordinary Resolution of Registered Holders of Units, if duly passed, shall have the effect of exercising the Exchange Right in respect of all the issued and outstanding Share Stapled Units at the relevant time and shall be binding on all the Registered Holders of Share Stapled Units.
- (b) Upon the exercise of the Exchange Right by passing an Extraordinary Resolution of Registered Holders of Units in accordance with **Clause 12.1(a)**, the Units and the Preference Shares comprising the issued and outstanding Share Stapled Units shall be exchanged with the Trustee-Manager and cancelled, and in consideration and in exchange therefor the Trustee-Manager shall transfer the specifically identified Ordinary Shares held by the Trustee-Manager which are Linked to the Units comprising the Share Stapled Units so cancelled, to the persons registered in the Share Stapled Units Register as the registered holders of those Share Stapled Units.

- (b) The exchange date in respect of the Share Stapled Units (the *Exchange Date*) must fall at a time when the Exchange Right attaching to the Share Stapled Units is expressed in this Deed to be exercisable and shall be the exchange date specified in, or determined in accordance with the provisions of, the Extraordinary Resolution of Registered Holders of Units providing for the exchange of all the issued and outstanding Share Stapled Units.
- (c) All Certificates in respect of Share Stapled Units, as referred to in **Clause 9.2**, shall be deemed to be cancelled, and shall cease to be evidence of title to Share Stapled Units, with effect from the Exchange Date.

- (e) The person or persons referred to in **Clause 12.2(d)** shall be deemed for all purposes to be the holder of record of the number of Ordinary Shares to be exchanged upon exercise of the Exchange Right with effect from the Exchange Date. A holder of Ordinary Shares transferred on exercise of the Exchange Right in respect of Share Stapled Units shall not be entitled to any rights the record date for which precedes the Exchange Date.
- (f) Following the foregoing procedures referred to in this **Clause 12.2** having been completed, the Ordinary Shares shall be transferred to the Hong Kong Branch Register of Members (in the names of the registered holders of the Ordinary Shares), in accordance with **Clause 11.5(a)**. As soon as practicable thereafter, and in any event not later than 10 Business Days after the Exchange Date, the Trustee-Manager will mail a certificate or certificates for the relevant Ordinary Shares to the person registered in the Hong Kong Branch Register of Members as the registered holder of the relevant Ordinary Shares (or, in the case of joint registered holders, to the first named joint registered holder who is not a Minor) to the address of that person shown in the Hong Kong Branch Register of Members.

- (g) With effect from the Exchange Date:
- (i) the Units and the Preference Shares shall confer no further rights, except for the right to receive the Ordinary Shares Linked to the Units pursuant to the exercise of the Exchange Right, and shall be cancelled; and
 - (ii) the Certificates in respect of the Share Stapled Units shall cease to be valid and shall cease to be evidence of title to any securities or other rights, other than the right to receive the Ordinary Shares Linked to the Units in respect of which the Certificates were issued, irrespective of whether or not the Certificates in respect of the Share Stapled Units are delivered to the Registrar or the Trustee-Manager for exchange and cancellation.

12.3 Stamp Duty, Tax and Other Charges

Before procuring the transfer of any Shares or the issue of any certificate following an exercise of the Exchange Right, the Registrar (or where there is no Registrar, the Trustee-Manager and the Company) may require from the person to whom the certificate is to be issued the payment to the Registrar (or where there is no Registrar, the Trustee-Manager) of a sum sufficient to cover any stamp duty or other Taxes or charges or other charges that may be payable in connection with the transfer and registration of the relevant person's Units and/or Shares pursuant to the exercise of the Exchange Right and/or the issue of certificate(s) to such person.

12.4 Repurchase of Exchanged Preference Shares by the Company from the Trustee-Manager

On or as soon as possible after the Exchange Date, all of the Preference Shares which are required under this Deed to be exchanged (together with the Units to which they are Stapled) with the Trustee-Manager for the Ordinary Shares held by the Trustee-Manager shall be repurchased by the Company from the Trustee-Manager for an aggregate consideration of HK\$1.00 and cancelled by the Company.

13. OBJECT AND PURPOSE OF THE TRUST

13.1 Scheme of Investment

All Cash and other assets which in accordance with the provisions of this Deed form a part of the Trust Property shall be paid or transferred to the Trustee-Manager and all Cash shall be applied for the purposes of the Authorised Business in accordance with the provisions of this Deed or to make payments out of the Trust Property for the purpose of any provision of this Deed, or to make Distributions in accordance with the provisions of this Deed.

13.2 Trustee-Manager's Scope of Business

Subject to the provisions of this Deed, the Trustee-Manager's scope of business and the business objectives of the Trust are as follows:

- (a) the Trust is established to engage in the Authorised Business; and
- (b) the Trustee-Manager shall, in exercising its powers and fulfilling its duties in relation to the management of the Trust Property, comply with the restrictions and other provisions of this Deed and exercise all reasonable care in managing the Trust and conducting the Authorised Business undertaken by the Trust in compliance with the Relevant Laws and Regulations.

13.3 Restrictions

- (a) Subject to the restrictions and requirements in the Relevant Laws and Regulations, the Trust may not carry on any other principal activities other than engaging in the Authorised Business.
- (b) The Trustee-Manager is not permitted to:
 - (i) either for itself or for the Trust, borrow or raise monies or to charge, mortgage or create security over all or any of the assets or rights of the Trust; or
 - (ii) issue debentures or other debt securities.
- (c) The Trust shall not assume, guarantee, endorse or otherwise become directly or contingently liable for or in connection with any obligation or indebtedness of any person.

13.4 Trustee-Manager's Discretion

- (a) Subject to the provisions of this Deed and the Relevant Laws and Regulations, the Trustee-Manager shall have absolute discretion to carry on any Authorised Business undertaken by the Trust as well as to determine the manner in which and the terms upon which any Cash or other assets forming part of the Trust Property which are not required to be distributed to Registered Holders of Units under this Deed should be invested in the Company.
- (b) No Unitholder shall be entitled to operate or manage or interfere in any Authorised Business undertaken by the Trust, or any business undertaken by the Group, or recommend or propose to the Trustee-Manager the manner in which any Authorised Business undertaken by the Trust, or any business undertaken by the Group, should be managed, administered, operated or carried on or in which any Trust Property should be dealt with.

13.5 Acquisition and Disposal Costs Payable Out of the Trust Property

Any brokerage, commission, stamp duty, legal and other costs and valuation fees incurred in and expenses relating to the acquisition or disposal or attempted acquisition or disposal of or otherwise in relation to any assets forming part, proposed to form part or previously forming part, of the Trust Property shall be paid out of the Trust Property.

14. DISTRIBUTIONS

14.1 Cash Distributions

- (a) Subject to the Relevant Laws and Regulations and to **Clauses 14.1(b) and 14.1(c)**, the Trustee-Manager may declare a Distribution in cash to the Registered Holders of Units out of the Trust Property in respect of such period, of such amounts and on such dates as it may think fit.
- (b) The Trustee-Manager shall ensure that 100% of the dividends, distributions and other amounts received by the Trustee-Manager in respect of the Ordinary Shares from the Company are distributed to the Registered Holders of Units, after deduction of any and all amounts permitted to be deducted or paid from the Trust Property under this Deed.

- (c) It is the current intention, as at the date of this Deed, of the board of directors of the Company to declare and distribute:
- (i) 100% of the Group Distributable Income in respect of each Financial Year ending 31 December 2013, 2014 and 2015; and
 - (ii) not less than 90% of the Group Distributable Income in respect of each Financial Year thereafter,

to the Trustee-Manager to fund Distributions in respect of the Share Stapled Units to be made by the Trustee-Manager.

It is currently, as at the date of this Deed, the intention of the board of directors of the Company that the Company will declare and make distributions to the Trust on a semi-annual basis (save that only one distribution will be made in respect of the Financial Year ending 31 December 2013), with the interim and final distributions in respect of a full Financial Year being equal, in aggregate, to 100% or not less than 90% (as the case may be) of the Group Distributable Income in respect of that Financial Year. The respective proportions of the aggregate annual Distribution to be paid as an interim Distribution and a final Distribution shall be determined by the board of directors of the Company in its discretion and the amount of the interim distribution need not be proportionate to the Group Distributable Income in respect of the first six months of the relevant Financial Year (or other period in respect of which the distribution is made) or proportionate to the Group Distributable Income in respect of the relevant Financial Year.

In addition, if the Group sells any fixed assets or properties, the directors of the Company may, at their discretion, retain all or any part of the proceeds (including any realised gains) from such sale (less associated taxes and expenses and associated debt repayments), including any amounts retained for the purpose of servicing future debt repayments and/or for the purpose of complying with covenants in any credit facility agreement (such amounts retained for debt repayment and covenant compliance being “**Excluded Amounts**”), for up to three years following such sale and may utilise the retained proceeds (other than the Excluded Amounts) for the acquisition of other fixed assets or properties, FF&E Reserve and/or capital expenditure. To the extent that all or any part of the retained proceeds (other than the Excluded Amounts) are not utilised for the purposes described above within three years following such sale, the Company shall distribute such retained proceeds (other than the Excluded Amounts) to the Trustee-Manager.

- (d) The Trustee-Manager shall make Distributions to Registered Holders of Share Stapled Units on a semi-annual basis (save that only one distribution will be made in respect of the Financial Year ending 31 December 2013), from the interim and final Distributions to be made by the Company to the Trustee-Manager referred to in **Clause 14.1(c)**. The Trustee-Manager shall pay the interim Distribution within four months after 30 June and the final Distribution within six months after 31 December of each year. The Trustee-Manager shall distribute 100% of the amount distributed or paid to the Trustee-Manager in respect of the Ordinary Shares, after deduction of any and all amounts permitted to be deducted or paid from the Trust Property under this Deed, in respect of each Financial Year by way of the interim and final Distributions referred to above in this **Clause 14.1(d)**.

- (e) The statement of the Company's current intention, as at the date of this Deed, to declare and distribute 100% or not less than 90% (as the case may be) of the Group Distributable Income in respect of each Financial Year to the Trustee-Manager to fund Distributions in respect of the Share Stapled Units is a distribution policy only and a statement of the Company's current intention, as at the date of this Deed, only. It is not a legally binding obligation of the Company, the Trustee-Manager or the Trust and is subject to change (and, for the avoidance of doubt, any such change to the distribution policy would not constitute or require a modification, amendment, alteration or addition to this Deed; but would need to be notified to the Hong Kong Stock Exchange and announced under **Clause 14.3**). Nor is it guaranteed by any person.

The form, frequency and amount of future Distributions (if any) in respect of Share Stapled Units will depend on the earnings, financial position and results of operations of the Group, as well as contractual restrictions (including limitations on borrowings by the Trustee-Manager under this Deed and compliance with financial undertakings imposed under the Group's loan facilities agreements), provisions of applicable laws and regulations and other factors including, but not limited to, funding requirements with reference to the prevailing business environment and operations, and expansion plans, other capital management considerations, the overall stability of distributions and prevailing industry practice.

- (f) Upon declaration of any Distribution per Unit made by the Trustee- Manager on behalf of the Trust, the Trust shall be obliged to pay such Distribution per Unit regardless of the number of Units in issue as at the Record Date for the relevant Distribution, save where there is any consolidation or sub-division of Units in which case appropriate adjustments should be made accordingly.

14.2 Entitlement to Distribution

- (a) Upon the declaration by the Trustee-Manager of a Distribution, each Registered Holder of Units shall, on or after the date on which such Distribution is expressed to be due and payable, be entitled to receive a *pro rata* share of the Distribution declared, determined based on the number of fully paid up Units held by that Registered Holder of Units as at the Record Date for the relevant Distribution.
- (b) The persons who are Registered Holders of Units on the Record Date are entitled to receive such Distribution declared by the Trustee-Manager in respect of such given period.
- (c) If new Units are issued after the declaration of a Distribution but on or before the Record Date for such Distribution, the total amount to be distributed by the Trust shall be proportionally increased such that Registered Holders of Units as at the Record Date shall all receive the Distribution per Unit as declared. Notwithstanding the provisions of **Clause 14.2(b)** and the foregoing provisions of this **Clause 14.2(c)**, where the Trust does not have sufficient cashflow to meet payments of a Distribution to Registered Holders of Units as a result of new Units having been issued after the declaration of a Distribution and the operation of **Clause 14.1(f)**, or if a payment of a Distribution to Registered Holders of Units, if made, will breach any applicable covenants to which the Trust or the Group is subject, such unpaid Distribution shall be accrued and shall be paid to the persons entitled thereto as soon as practicable after the Trust has sufficient cashflow to meet the payment obligations or is able to meet the payment obligations without breaching any applicable covenant (as the case may be), provided that no interest shall be paid on Registered Holders of Units' Distribution entitlement accrued but not paid and that Registered Holders of Units shall be notified of the suspension of payments.

- (d) The Trustee-Manager may deduct from each Registered Holder of Units' Distribution entitlement all amounts which:
- (i) are necessary to avoid distributing a fraction of a cent by rounding down the relevant amount to the nearest cent;
 - (ii) the Trustee-Manager determines not to be practical to distribute on a Distribution date;
 - (iii) equal any amount of Tax which has been paid or which the Trustee-Manager determines is or may be payable by it in respect of the portion of the income of the Trust attributable to such Registered Holder of Units, or the amount of the Distribution otherwise distributable to such Registered Holder of Units. The Trustee-Manager may, but is not bound to, consult or rely on (1) any advice of or calculation by any accountants, tax advisers or the Auditor or (2) any information obtained from the Tax or government authorities in respect of any such Tax before making such deduction. The Trustee-Manager shall not be liable to account to any holder or otherwise for any such deduction or payment made or suffered by the Trustee-Manager in good faith and in the absence of fraud, wilful default or negligence, notwithstanding that any such deduction or payment ought not to be or need not have been made or suffered. If any such deduction which ought not to be, or need not have been, made or suffered is not required to be paid to a Tax or government authority, or a refund of any amount of Tax which ought not to be, or need not have been, made or suffered is subsequently obtained, the relevant amount shall form part of the Trust Property and be held by the Trustee-Manager upon and subject to the terms and conditions of this Deed and shall be added to the amount to be distributed to the Registered Holders of Units in respect of the next following interim or annual Distribution to be made by the Trustee- Manager;
 - (iv) are required to be deducted by the Relevant Laws and Regulations or this Deed; or
 - (v) are payable by the Registered Holder of Units to the Trustee-Manager or the Company.
- (e) The Trustee-Manager shall determine the Distribution entitlement per Unit of the Registered Holders of Units for a Financial Year, which shall be notified to the Registrar, where appointed. The Trustee-Manager shall arrange for the Auditor to review and verify the Trustee-Manager's calculation of the Distribution entitlement per Unit of the Registered Holders of Units for the Financial Year and issue a confirmation letter to the Trustee-Manager. In respect of each Financial Year, the Trustee-Manager shall instruct the Registrar, where appointed, to pay to each Registered Holder of Units his Distribution entitlement on or before the Distribution Date for the Financial Year.
- (f) No distribution or other monies payable on or in respect of a Unit shall bear interest as against the Trust. Any Unclaimed Monies shall be dealt with in the manner provided in **Clause 15.3**.

14.3 Trustee-Manager Announcement Requirement

- (a) The Trustee-Manager shall inform the Hong Kong Stock Exchange immediately of:
 - (i) any decision to declare, recommend or pay any Distribution and the rate and amount thereof;
 - (ii) any decision not to declare, recommend or pay any Distribution which would otherwise have been expected to be declared, recommended or paid in due course; and
 - (iii) any preliminary announcement of profits or losses for any year, half year or other period.
- (b) The Trustee-Manager shall inform the Registered Holders of Share Stapled Units of any decision referred to in **Clause 14.3(a)(i)** or **14.3(a)(ii)** above, by way of an announcement. The announcement must be made as soon as possible after the decision, but should only be published before the market opens, or after it closes or during the lunchtime break.
- (c) An announcement made in respect of a decision to declare, recommend or pay any Distribution must include:
 - (i) the amount of the Distribution and the Distribution entitlement per Unit of the Registered Holders of Units;
 - (ii) the Record Date and approximate payment date for the Distribution;
 - (iii) confirmation that the Auditor has reviewed and verified the Trustee-Manager's calculation of the Distribution entitlement per Unit, in accordance with **Clause 14.2(e)**; and
 - (iv) confirmation by the Trustee-Manager's board of directors that, having made all reasonable enquiries, immediately after making the relevant Distribution to the Registered Holders of Units, the Trustee-Manager will be able to fulfil, from the Trust Property, the liabilities of the Trust as they fall due.

14.4 Unitholder Notification Requirements

Each Unitholder must, as and when required by the Trustee-Manager, provide such information as to his place of residence or any other information relevant for Tax purposes as the Trustee-Manager may from time to time determine.

14.5 Distribution Reinvestment Arrangements

The Trustee-Manager may, with the prior consent of the Company, advise Registered Holders of Units, from time to time, in writing that Registered Holders of Units may on terms specified in the notice participate in an arrangement under which Registered Holders of Units may request that all or a proportion of specified Distributions due to them be applied to the issue of further Units (as components of Share Stapled Units) on such terms and at such Issue Price as the Trustee-Manager may determine, subject to **Clause 3**. The Units so issued shall be deemed to be purchased by such Registered Holders of Units. The Trustee-Manager shall, with the prior consent of the Company, be entitled to amend the terms of any such Distribution reinvestment arrangements from time to time by notice in writing to Registered Holders of Units.

14.6 Non-Cash Distributions

Without prejudice to the power to make cash Distributions in accordance with **Clause 14.1** and any Distribution policy articulated by the Trustee-Manager from time to time, but subject to the Relevant Laws and Regulations and by an Ordinary Resolution of Registered Holders of Units, the Trustee-Manager may declare a Distribution other than in cash to the Registered Holders of Units to be payable out of the Trust Property. To the extent that the other Clauses in this **Clause 14** apply to a Distribution other than in cash, they shall apply *mutatis mutandis*.

14.7 Distribution of Capital and Unrealised Gains

The Trustee-Manager may cause the distribution of an amount which represents:

- (a) part of the capital of the Trust and which the Trustee-Manager reasonably determines to be in excess of the financial needs of the Trust; and/or
- (b) part or all of the unrealised gains.

14.8 Categories and Sources of Income

- (a) For any category or source of income the Trustee-Manager may keep separate accounts and allocate the income from any category or source to any Registered Holder of Units.
- (b) The Trustee-Manager may cause the distribution of any amount recorded in an account or record kept pursuant to **Clause 14.8(a)** before the distribution of any other amount.

14.9 Restrictions in respect of Distributions

The Trustee-Manager shall not make a Distribution if and to the extent that doing so would result in the Trust being unable to pay its debts.

15. PLACE AND CONDITIONS OF PAYMENT

15.1 Place and Conditions of Payment

- (a) Any monies payable by the Trustee-Manager to any Registered Holder of Units on the relevant Record Date under the provisions of this Deed shall be paid, in the case of Registered Holders of Units who do not hold their Units jointly with any other person, by cheque or warrant sent through the post to the registered address of such Registered Holder of Units or, in the case of Joint Registered Holders of Units, to the registered address of the Joint Registered Holder of Units who is first named on the Units Register or to the registered address of any other of the Joint Registered Holders of Units as may be authorised by all of them. Every such cheque or warrant shall be made payable to the order of the person to whom it is delivered or sent and payment of the cheque or warrant by the banker upon whom it is drawn shall be a satisfaction of the monies payable and shall be a good discharge to the Trustee-Manager. Where the Trustee-Manager receives the necessary authority in such form as the Trustee-Manager shall consider sufficient, it shall pay the amount due to any Registered Holder of Units to his bankers or other agent, by telegraphic or electronic transfer, and payment of such an amount to such bankers or other agent shall be a satisfaction of the monies payable and a good discharge to the Trustee-Manager.

- (b) In the case of Units which are components of Share Stapled Units held in CCASS, payment of the monies by the Trustee-Manager to, or as directed by, HKSCC Nominees shall be a satisfaction of the monies payable to the relevant Unitholders holding interests in Units which are components of Share Stapled Units deposited in CCASS and shall be a good discharge to the Trustee-Manager. Any charges payable to HKSCC Nominees for the distribution of monies in respect of those Unitholders holding interests in Units which are components of Share Stapled Units deposited in CCASS may be paid out of the Trust Property.
- (c) No amount payable to any Unitholder shall bear interest.

15.2 Receipt of Unitholders

The receipt of the Registered Holder of Units or (as the case may be) HKSCC Nominees on behalf of those Unitholders holding interests in Units which are components of Share Stapled Units deposited in CCASS for any amounts payable in respect of the relevant Units shall be a good discharge to the Trustee-Manager, and if several persons are registered as Joint Registered Holders of Units or, in consequence of the death of a Registered Holder of Units, are entitled to be so registered, any one of them may give effectual receipts for any such amounts.

15.3 Unclaimed Monies

- (a) The Trustee-Manager shall, from time to time, make payments to any Registered Holder of Units claiming any Unclaimed Monies. For the avoidance of doubt, no interest shall be payable to a Registered Holder of Units on such Unclaimed Monies.
- (b) The Trustee-Manager may, at its absolute discretion and if practicable, cause such sums which represent Unclaimed Monies which remain unclaimed for six years after the date on which such Unclaimed Monies are due to be paid, to be forfeited. For the avoidance of doubt:
 - (i) the monies so forfeited shall revert to the Trust and form part of the Trust Property; and
 - (ii) the relevant Registered Holder of Units shall not have any right or claim in respect of such monies against the Trust or the Trustee-Manager if a period of six years has elapsed from the date such monies are first payable.
- (c) The Trustee-Manager may cease sending cheques for Distribution entitlements or Distribution warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Trustee-Manager may exercise its power to cease sending cheques for Distribution entitlements or Distribution warrants after the first occasion on which such a cheque or warrant is returned undelivered.

- (d) The Trustee-Manager and the Company shall be entitled to sell any Share Stapled Units of a Registered Holder of Share Stapled Units or the Share Stapled Units to which a person is entitled by virtue of transmission on death or bankruptcy or operation of law if and provided that:
- (i) during a 12 year period, at least three Distributions in respect of the Share Stapled Units in question have become payable and no Distribution during that period has been claimed by the Registered Holder of Share Stapled Units (or the person who is entitled to the Share Stapled Units by virtue of transmission on death or bankruptcy or operation of law); and
 - (ii) upon expiry of the 12 year period, the Trustee-Manager and the Company have caused an advertisement to be published in the newspapers, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Trustee-Manager and the Company by electronic means as herein provided, giving notice of their intention to sell such Share Stapled Units, and a period of three months has elapsed since such advertisement and the Hong Kong Stock Exchange has been notified of such intention.

16. EXPENSES OF THE TRUST

Subject to the Relevant Laws and Regulations, the Trustee-Manager is entitled to apply, or to be reimbursed from, the Trust Property (at such times and over such periods as the Trustee-Manager may determine in any particular case) for all Liabilities (save in the case of fraud, wilful default or negligence), fees, costs, charges and expenses that may be properly and reasonably suffered or incurred by the Trustee-Manager in the performance of its obligations or the exercise of its powers under this Deed, or otherwise arising out of or in connection with this Deed, including, but not limited to, the amounts specified in **Schedule 2**.

The Trustee-Manager shall exercise all reasonable care in selecting the potential delegates and agents appointed by it, and shall supervise the proceedings and activities of such delegates and agents to ensure that the functions intended to be carried out by them are properly carried out. Notwithstanding the foregoing, the Trustee-Manager shall be fully liable and shall indemnify the Trust for all losses, liabilities, damages, costs and expenses suffered or incurred by the Trust as a result of any fraud, wilful default, negligence or breach of this Deed by any such delegate or agent. The Trustee-Manager shall have no liability for any clearing system or depository operator or, except when the Trustee-Manager is fraudulent, in wilful default or negligent, for the licensed bank(s) in Hong Kong with which the segregated Distributions Account, Custody Account and Subscriptions Account referred to in **Clauses 18.2, 18.3 and 18.4**, respectively, are opened;

- (n) the right to require Unitholders and all persons claiming through or under each such Unitholder to disclose to the Trustee-Manager, upon request of the Trustee-Manager, all their beneficial interests in the Trust or any Share Stapled Units, provided that this power shall not apply in respect of HKSCC Nominees as the Registered Holder of Share Stapled Units as nominee for HKSCC and HKSCC Nominees shall not be required to disclose information to the Trustee-Manager pursuant to the exercise of this power by the Trustee-Manager.

17.4 Powers of Trustee-Manager Incidental to Offering for Sale or Subscription of Share Stapled Units

The Trustee-Manager shall have the power, to the extent permitted by the Relevant Laws and Regulations, to:

- (a) do everything necessary or desirable to be done in connection with any offering for sale or subscription of Share Stapled Units;

21.5 Legislation

Save in the case of fraud, wilful default or negligence, the Trustee-Manager, its directors, employees, servants and agents shall incur no liability to the Holders of Share Stapled Units for doing or failing to do any act or thing which by reason of any provision of any present or future law or regulation, or of any decree, order or judgment of any court, or by reason of any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) the Trustee-Manager or any such director, employee, servant or agent shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Deed, the Trustee-Manager, its directors, employees, servants and agents shall not be under any liability therefor or thereby.

21.6 Registered Holders of Units' Resolutions

Save in the case of fraud, wilful default or negligence, the Trustee-Manager, its directors, employees, servants and agents shall incur no liability for the consequences of acting upon any resolution purported to have been passed at any meeting of Registered Holders of Units duly convened and held in accordance with the provisions contained in **Schedule 1** in respect of which minutes have been made and signed even though it may be subsequently found that there was some defect in the constitution of the meeting or the passing of the resolution or that for any reason the resolution was not binding on the Registered Holders of Units.

21.7 Practices and Rulings

At all times and for all purposes of this Deed the Trustee-Manager, its directors, employees, servants and agents may rely upon the established practice and rulings of the Hong Kong Stock Exchange (or any other Alternative Stock Exchange on which the Share Stapled Units are listed) and any committees and officials thereof on which any dealing in the Share Stapled Units or any part of the Trust Property is from time to time effected in determining what shall constitute good delivery and any similar matters and such practices and rulings shall be conclusive and binding upon all Unitholders and any persons under this Deed.

21.8 Saving Clause as to Indemnities

Any indemnity expressly given to the Trustee-Manager and its directors, employees, servants and agents in this Deed is in addition to and without prejudice to any indemnity allowed by law; provided nevertheless that any provision of this Deed shall be void insofar as it would have the effect of exempting the Trustee-Manager or its directors, employees, servants and agents from or indemnifying it or them against any liability to the Registered Holders of Units for fraud, dishonesty, wilful default or negligence.

21.9 Acts of Trustee-Manager

- (a) Any provision in this Deed providing for any act or matter to be done by the Trustee-Manager may be performed on behalf of the Trustee-Manager by any Officer or responsible official of the Trustee-Manager and any act or matter so performed shall be deemed for all the purposes of this Deed to be the act of the Trustee-Manager.
- (b) Save in the case of fraud, wilful default or negligence, the Trustee-Manager, its directors, employees, servants and agents shall not be liable to account to any Unitholder or otherwise for any payment made or suffered to be made by the Trustee-Manager or its directors, employees, servants or agents in good faith to any duly empowered authority of Hong Kong or elsewhere for Tax or other charges in any way arising out of or relating to any transaction of whatsoever nature under this Deed notwithstanding that any such payments ought not to be or need not have been made or suffered to be made.
- (c) The Trustee-Manager, its directors, employees, servants and agents shall be entitled to rely absolutely on any declaration of tax residence or any information otherwise relevant for Tax purposes which may be received from a Unitholder or prospective Unitholder or applicant for Share Stapled Units or Units.
- (d) Save in the case of fraud, wilful default or negligence, the Trustee-Manager, its directors, employees, servants and agents shall incur no liability in respect of any action taken or thing suffered by it or them in reliance upon any notice, resolution, direction, consent, certificate, affidavit, statement, certificate of stock, plan or reorganisation or other paper or document believed to be genuine and to have been passed, sealed or signed by the proper parties.

21.10 Indemnity Out of the Trust Property

- (a) Subject as herein expressly provided and without prejudice to any right of indemnity at law given to the Trustee-Manager, (or to any director, employee, servant or agent of the Trustee-Manager), the Trustee- Manager and any director, employee, servant and agent of the Trustee- Manager shall be indemnified out of, and shall be entitled for the purpose of indemnity to have recourse to, the Trust Property or any part thereof against any actions, costs, claims, damages, expenses, penalties or demands to which it or he/she may be put as Trustee-Manager of the Trust and as director, employee, servant or agent of the Trustee-Manager, save where such action, cost, claim, damage, expense, penalty or demand is occasioned by the fraud, wilful default or negligence of the Trustee- Manager or any director, employee, servant, agent or delegate of the Trustee-Manager.
- (b) If the Trustee-Manager is being wound up or is under receivership:
 - (i) any provision of this Deed which purports to deny the Trustee-Manager a right to be indemnified out of the Trust Property that the Trustee-Manager would have had if it were not being wound up or under receivership, as the case may be, shall be void against the liquidator or receiver of the Trustee-Manager, as the case may be; and
 - (ii) any right of the Trustee-Manager to be indemnified out of the Trust Property shall be exercised by the liquidator or receiver of the Trustee-Manager, as the case may be.

22. AUDITOR

- (d) The Trustee-Manager, or the Registered Holders of Units in general meeting by an Ordinary Resolution of Registered Holders of Units, may fill any casual vacancy in the office of auditor, but while any such vacancy continues, the surviving or continuing auditor or auditors, if any, may act.
- (e) The Registered Holders of Units may by an Ordinary Resolution of Registered Holders of Units remove an auditor before the expiration of his term of office, notwithstanding anything in any agreement between the Trustee-Manager and the auditor.

- (f) The remuneration of the auditor of the Trust:
 - (i) in the case of an auditor appointed by the Trustee-Manager or by the court, may be fixed by the Trustee-Manager or by the court, as the case may be; and
 - (ii) subject to **Clause 22.1(f)(i)** above, shall be fixed by the Registered Holders of Units in general meeting, by an Ordinary Resolution of Registered Holders of Units, or in such manner as the Registered Holders of Units in general meeting may determine.
- (g) The appointment of a firm by its firm name to be the auditor of the Trust shall be deemed to be an appointment of those persons who shall from time to time during the currency of the appointment be the partners in that firm as from time to time constituted and who are qualified for appointment as auditors of the Trust, provided that any such appointment shall lapse, and thereby create a casual vacancy in the office of auditor, if all those persons who were partners in the firm and qualified as aforesaid at the date of the appointment cease to be partners or so qualified before the period of the appointment expires.

22.2 The Trust, the Company and the Trustee-Manager Must Have the Same Auditor

The Trustee-Manager and the Company shall procure that the auditor of the Trust, the auditor of the Company and the auditor of the Trustee-Manager shall, at all times, be the same person or firm.

23. APPOINTMENT, REMOVAL OR RESIGNATION OF TRUSTEE-MANAGER

23.1 Appointment and Removal of the Trustee-Manager

- (a) The appointment and removal of the Trustee-Manager shall only be in accordance with this Deed and the Relevant Laws and Regulations. Under the Listing Rules, the Hong Kong Stock Exchange would normally expect the Trustee-Manager to be a company which has not carried on any business other than the management and operation of the Trust as its trustee-manager.
- (b) The Trustee-Manager may be removed by an Ordinary Resolution of Registered Holders of Units. A replacement trustee-manager shall be appointed by an Ordinary Resolution of Registered Holders of Units or in accordance with **Clause 23.1(g)**.
- (c) The Registered Holders of Units may requisition a meeting to vote on a resolution to remove the Trustee-Manager if the Registered Holders of Units requisitioning the meeting hold at the date of the requisition not less than 5% of the total voting rights of all Registered Holders of Units having on that date a right to vote.

- (d) Within 7 days of receiving a requisition referred to in **Clause 23.1(c)**, the incumbent original trustee-manager shall give to the Registered Holders of Units notice of the requisition (the *Requisition Notice*) and, in that notice, inform the Registered Holders of Units of their right to nominate a replacement trustee-manager in accordance with **Clause 23.1(e)**.
- (e) Registered Holders of Units may nominate a company which has consented in writing to serve as the replacement trustee-manager for appointment by the Registered Holders of Units by an Ordinary Resolution of Registered Holders of Units to be proposed at a meeting of Registered Holders of Units to be convened pursuant to **Clause 23.1(f)**, if those Registered Holders of Units hold, at the date of nomination, not less than 5% of the total voting rights of all Registered Holders of Units having on that date a right to vote, and the nomination by those Registered Holders of Units is served on the incumbent trustee-manager not more than 21 days after the date of the Requisition Notice.
- (f) Upon the expiry of 21 days of the date of the Requisition Notice, the incumbent trustee-manager shall call a general meeting of Registered Holders of Units within 28 days and give to Registered Holders of Units notice of the meeting and any resolution(s) to be proposed at that meeting not less than 14 days before the meeting. The resolutions to be proposed shall include resolution(s) for the appointment as the replacement trustee-manager of the Trust of one of the eligible candidates for appointment nominated for appointment by the Registered Holders of Units under **Clause 23.1(e)**. All of the eligible candidates so nominated shall be included in the list of candidates to be specified in the resolution(s) to be proposed at the meeting of Registered Holders of Units.
- (g) If, within 21 days of receipt of a Requisition Notice, the incumbent trustee-manager has not received a nomination of a company to serve as trustee-manager, Registered Holders of Units representing not less than 5% of the total voting rights of all Registered Holders of Units may apply to the court to make an order under Section 42 of the Trustee Ordinance appointing a company to act as trustee-manager with effect from the date fixed for the meeting to be convened in accordance with **Clause 23.1(f)**, provided that the resolution to remove the original trustee-manager is passed as an Ordinary Resolution of Registered Holders of Units at such meeting.
- (h) Any resolution to remove the incumbent trustee-manager shall not take effect until a replacement trustee-manager is appointed and a replacement trustee-manager shall only be appointed by an Ordinary Resolution of the Registered Holders of Units and such appointment shall only become effective in accordance with, and subject to, the provisions of **Clause 23.6(a)**.
- (i) For as long as the Trustee-Manager is a subsidiary of Great Eagle Holdings Limited, it must remain a wholly owned subsidiary of Great Eagle Holdings Limited.

23.2 Resignation of the Trustee-Manager

- (a) The Trustee-Manager (the *Resigning Trustee-Manager*) may resign by giving notice (the *Resignation Notice*) of its intention to all Registered Holders of Units and shall nominate another company, which has consented in writing to serve as the replacement trustee-manager. The resignation of the Trustee-Manager shall only be effective upon the appointment of another corporation as the trustee-manager of the Trust and subject to such corporation entering into a deed supplemental hereto providing for such appointment. The Resigning Trustee-Manager shall also inform the Registered Holders of Units of their right to nominate a company as the replacement trustee-manager in accordance with **Clause 23.2(b)**.
- (b) The Registered Holders of Units may nominate a company which has consented in writing to serve as the replacement trustee-manager for approval to be appointed by an Ordinary Resolution of Registered Holders of Units to be proposed at a meeting of Registered Holders of Units to be convened pursuant to **Clause 23.2(c)**, if those Registered Holders of Units hold, at the date of nomination, not less than 5% of the total voting rights of all Registered Holders of Units having on that date a right to vote, and the nomination by those Registered Holders of Units is served on the Resigning Trustee-Manager not more than 21 days after the date of the Resignation Notice.
- (c) Upon the expiry of 21 days of the date of the Resignation Notice, the Resigning Trustee-Manager shall call a general meeting within 28 days and give to Registered Holders of Units notice of the meeting and any resolutions to be proposed at that meeting not less than 14 days before the meeting. The resolutions to be proposed shall include resolutions for the appointment as the replacement trustee-manager of the Trust of one of the candidates nominated for appointment by the Trustee-Manager under **Clause 23.2(a)** or by the Registered Holders of Units under **Clause 23.2(b)**. All of the eligible candidates so nominated shall be included in the list of candidates to be specified in the resolution(s) to be proposed at the meeting of Registered Holders of Units.
- (d) If, within 21 days of the date of the Resignation Notice, no nomination of a company to serve as the replacement Trustee-Manager has been made, Registered Holders of Units representing not less than 5% of the total voting rights of all Registered Holders of Units may apply to the court to make an order under Section 42 of the Trustee Ordinance appointing a company to act as trustee-manager with effect from the date fixed for the meeting to be convened in accordance with **Clause 23.2(c)**.
- (e) A replacement trustee-manager shall only be appointed with the approval of an Ordinary Resolution of Registered Holders of Units and the resignation of the Resigning Trustee-Manager shall not take effect until a replacement trustee-manager is appointed and the provisions of **Clause 23.6(a)** have been complied with.
- (f) The Resignation Notice shall:
 - (i) state the reasons for resignation;
 - (ii) nominate a company to replace the Resigning Trustee-Manager as trustee-manager of the Trust; and
 - (iii) inform the Holders of Units of their right to nominate a new trustee-manager of their choice.

23.3 Costs of Appointment, Removal or Resignation

Any costs and expenses incurred in connection with the appointment, removal or resignation of the Trustee-Manager under this **Clause 23** may be paid out of the Trust Property. For the avoidance of doubt, such costs and expenses may include the costs and expenses of organising a general meeting of Registered Holders of Units or applying for a court order in connection with the appointment, removal or resignation of the Trustee-Manager, but shall not include (i) the costs and expenses incurred in connection with the winding up of the Trustee-Manager, and (ii) any remuneration or compensation payable upon the termination of the service contract of any Officer of the Trustee-Manager.

23.4 Notice to Registered Holders of Units

The new Trustee-Manager shall, as soon as practicable after its appointment, give notice in writing to the Registered Holders of Units specifying the new Trustee-Manager's name and the address of its office.

23.5 Insolvency of the Trustee-Manager

- (a) If the Trustee-Manager goes into liquidation (except a voluntary liquidation for the purpose of reconstruction or amalgamation upon terms previously approved by an Ordinary Resolution of Registered Holders of Units) or if a receiver is appointed over any of its assets or if a judicial manager is appointed in respect of the Trustee-Manager (or any such analogous process occurs or any analogous person is appointed in respect of the Trustee-Manager) or if the Trustee-Manager ceases to carry on business, the Trustee-Manager must immediately give a Resignation Notice and the provisions of **Clause 23.2** shall apply.
- (b) If the Trustee-Manager fails to give a Resignation Notice within 5 Business Days of the relevant event referred to in **Clause 23.5(a)** having occurred, any Registered Holder of Units may make an application to the court to make an order pursuant to Section 42 of the Trustee Ordinance to appoint a temporary trustee-manager who will act as trustee-manager until a trustee-manager is appointed by an Ordinary Resolution of Registered Holders of Units.

23.6 Transfer of Rights, Obligations and Liabilities of the Trustee-Manager

- (a) The removal or resignation of the Trustee-Manager shall only be effective upon the incumbent Trustee-Manager which is being removed, or the Resigning Trustee-Manager (as the case may be), having taken all necessary steps to transfer legal title to all Trust Property to the incoming trustee-manager, including, but not limited to, the Ordinary Shares. The responsibilities and obligations of the Trustee-Manager which is being removed or is resigning will only cease, and the responsibilities and obligations of the incoming trustee-manager will only commence, upon all those necessary steps having been completed.
- (b) On removal or resignation or retirement, the removed or resigning or retiring Trustee-Manager shall vest the Trust Property in the new trustee-manager, and give the new trustee-manager all books, documents, records and any other property held by or on behalf of the removed or resigning or retiring Trustee-Manager relating to the Trust. All costs and expenses reasonably incurred in vesting the Trust Property in any new trustee-manager shall be borne out of the Trust Property by the Trust.

- (c) On effective removal or retirement hereunder and the provisions of **Clause 23.6(a)** having been complied with, the Resigning Trustee-Manager (or the Trustee-Manager being removed or retiring) shall be discharged and shall no longer be liable in any matter hereunder except as to acts or occasions occurring prior to such removal, resignation or retirement and except as provided in **Clause 23.6(g)**, and the new trustee-manager shall thereupon undertake and perform all duties and be entitled to all rights and compensations as the Trustee-Manager under this Deed or any other supplemental trust deed. The successor Trustee-Manager shall not be under any liability hereunder for any default by the predecessor and shall be indemnified out of the Trust Property against all such liability.
- (d) The Resigning Trustee-Manager (or the Trustee-Manager being removed or retiring), shall assign or novate to the new Trustee-Manager on terms reasonably acceptable to the successor Trustee-Manager (and obtain the written consent of the counterparties thereto) all agreements of which it, as trustee and/or manager, is a party concerning the Trust.
- (e) Upon the removal, resignation or retirement of the Trustee-Manager:
 - (i) all obligations entered into and Liabilities incurred by the Trustee-Manager in its capacity as trustee and/or manager or otherwise for the account of the Trust shall survive the removal, resignation or retirement of the Trustee-Manager as obligations and Liabilities enforceable against the successor Trustee-Manager and/or the Trust Property, as the case may be;
 - (ii) any claims (actual or contingent) which any person may have against the Trust Property howsoever arising shall not in any way be prejudiced or otherwise affected by the removal, resignation or retirement of the Trustee-Manager; and
 - (iii) the successor trustee-manager shall be under the same obligations with respect to the performance and discharge of any obligations entered into or Liabilities incurred by the Resigning Trustee-Manager (or the Trustee-Manager being removed or retiring) in its capacity as trustee and/or manager or otherwise for the account of the Trust as the Resigning Trustee-Manager (or the Trustee-Manager being removed or retiring) or otherwise for the account of the Trust as the Resigning Trustee-Manager (or the Trustee-Manager being removed or retiring) was or would have been but for its resignation, removal or retirement.
- (f) Any Trust Property and other rights and obligations entered into by the Trustee-Manager in its capacity as trustee and/or manager of the Trust not otherwise transferred to and assumed by a newly appointed trustee-manager shall vest in the new trustee-manager as if Section 41 of the Trustee Ordinance applied to such Trust Property and other rights and obligations.
- (g) The following rights and obligations shall remain with the Trustee-Manager which has been removed or is retiring, or the Resigning Trustee-Manager, as the case may be:
 - (i) any right to be indemnified for expenses it had incurred before it ceased to be the trustee-manager; and
 - (ii) any liability in respect of which it would have no claim of indemnification out of the Trust Property if it had remained the trustee-manager.

- (h) The Trustee-Manager which is being removed or is retiring, or the Resigning Trustee-Manager, as the case may be, shall provide reasonable assistance to an incoming trustee-manager to enable it to assume its role as trustee-manager of the Trust.
- (i) **Clause 21.10** shall continue to be in full force and effect as regards to the Trustee-Manager notwithstanding the retirement, resignation or removal of the Trustee-Manager.

24. TAX

24.1 Value Added Tax or Goods and Services Tax

Where any value added tax or goods and services tax is payable by the Trustee-Manager in relation to services rendered to the Trust by it in connection with the exercise of its powers and discretions and/or the performance of its obligations under this Deed, the Trustee-Manager shall be entitled to be reimbursed therefor out of the Trust Property or such value added tax or goods and services tax may be paid out of the Trust Property.

24.2 Deduction of Tax

Before making any Distribution or other payment in respect of any Unit, the Trustee-Manager may make such deductions as by the law of Hong Kong or the Cayman Islands or by the law of any other country in which such Distribution or payment is made the Trustee-Manager is required or entitled to make in respect of any income or other Taxes, charges or assessments whatsoever. The Trustee-Manager may also deduct the amount of any stamp duties or other Taxes or charges payable by it or for which it may be made liable in respect of such Distribution or payment or any documents signed by it in connection therewith.

25. TERMINATION OF THE TRUST

25.1 Termination

- (a) The duration of the Trust constituted by this Deed is 80 years less one day but the Trust may, without prejudice to the provisions of the Relevant Laws and Regulations, be terminated by the Trustee-Manager prior to the expiry of that period:
 - (i) in the event that any law shall be passed which renders it illegal or, in the reasonable opinion of the Trustee-Manager, impracticable or inadvisable to continue the Trust and approval for the winding up has been given by way of an Ordinary Resolution of Registered Holders of Units duly passed in accordance with this Deed; or
 - (ii) at any time if approval for the termination has been given by way of an Extraordinary Resolution of Registered Holders of Units duly passed in accordance with this Deed.
- (b) The Trust shall terminate upon completion of the exercise of the Exchange Right by Registered Holders of Share Stapled Units in accordance with **Clause 12**.

- (c) In the event that the Trustee-Manager is removed under **Clause 23.1** and no new trustee-manager is willing to take the place of the existing Trustee-Manager within 60 days of the removal of the Trustee-Manager (or such longer period as the Trustee-Manager considers appropriate), any Registered Holder of Units may apply to the court to make an order under the Trustee Ordinance or under the court's inherent jurisdiction to either:
 - (i) appoint a company to act as trustee-manager; or
 - (ii) terminate the Trust.
- (d) The Trustee-Manager shall have no liabilities for any consequence arising out of any termination of the Trust which has been approved by an Ordinary Resolution of Registered Holders of Units (under **Clause 25.1(a)(i)**) or an Extraordinary Resolution of Registered Holders of Units (under **Clause 25.1(a)(ii)**) or which results from completion of the exercise of the Exchange Right or upon the expiry of the period of 80 years less one day, in each case in the absence of fraud, wilful default or negligence.

25.2 Manner of Liquidation

In the event that the Trust is to be wound up (whether on the expiry of the Trust period of 80 years less one day or otherwise in accordance with the provisions of **Clause 25.1**), the Trustee-Manager shall, subject to authorisations or directions (if any) given to it by an Ordinary Resolution of Registered Holders of Units referred to in **Clause 25.1(a)(i)** or an Extraordinary Resolution of Registered Holders of Units referred to in **Clause 25.1(a)(ii)** (as the case may be), proceed as follows:

- (a) The Trustee-Manager shall distribute the Ordinary Shares to the Registered Holders of Units *in specie* and distribute the remaining Trust Property (if any) to the Registered Holders of Units in proportion to the number of fully paid up Units held by each of them; provided that, the Trustee-Manager shall be entitled to retain out of any monies in its hands as part of the Trust Property full provision for all fees, costs, charges, expenses, claims and demands incurred, made or apprehended by the Trustee-Manager in connection with or arising out of the termination of the Trust and the distribution and/or realisation of the Trust Property and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands.
- (b) The Trustee-Manager shall effect the distribution referred to in **Clause 25.2(a)** in such manner and within such period after the termination of the Trust as the Trustee-Manager in its absolute discretion deems advisable and shall ensure the proper discharge of any obligations and Liabilities of the Trust and adequate provisions for such obligations and liabilities; provided that such period may not exceed six months.

25.3 Documents Prepared Upon Completion of Liquidation

Upon the completion of the liquidation of the Trust, the following shall be prepared:

- (a) the Trustee-Manager's review and comment on the performance of the Trust and an explanation as to how the Trust Property has been disposed of;
- (b) financial statements of the Trust which shall be distributed to Registered Holders of Units within three months of completion of the liquidation of the assets of the Trust; and
- (c) an Auditor's report in relation to those financial statements.

25.4 Redemption of Preference Shares and Cancellation of Units

In the event that the Trust is to be terminated under **Clause 25.1(a)**, or terminates on the expiry of the Trust period of 80 years less one day, the Company shall redeem all the issued Preference Shares in accordance with the Articles and following the completion of the distribution referred to in **Clause 25.2(a)**, the Units shall be cancelled.

25.5 Termination of this Deed

- (a) Upon completion of the liquidation of the Trust, this Deed shall terminate and the Trust will cease to exist.
- (b) This Deed shall also terminate, and the Trust will cease to exist, upon completion of the exercise of the Exchange Right under **Clause 12**.

26. MODIFICATION OF TRUST DEED

- (a) The Trustee-Manager and the Company shall jointly, by mutual agreement between them, and subject to the Relevant Laws and Regulations, be entitled by deed supplemental hereto to modify, amend, alter or add to the provisions of this Deed if and to the extent that such modification, amendment, alteration or addition:
 - (i) either does not prejudice the interests of the Unitholders or any prejudice is immaterial; and does not operate to release to any material extent the Trustee-Manager from any responsibility to the Unitholders; and does not increase the costs or charges payable from the Trust Property (other than charges, fees and expenses incurred in connection with the supplemental deed); or
 - (ii) is necessary in order to comply with applicable fiscal, statutory or official requirements (whether or not having the force of law), including, without limitation, requirements under the Relevant Laws and Regulations; or
 - (iii) is made to correct a manifest error; or

- (iv) is made to reflect any changes made to the Relevant Laws and Regulations after the Listing Date and the relevant modification, amendment, alteration or addition is consistent with the changes made to the Relevant Laws and Regulations and is approved by an Extraordinary Resolution of Registered Holders of Units. In the interests of clarity, this **Clause 26(a)(iv)** is intended to permit, and does permit, the Trustee-Manager and the Company acting jointly by mutual agreement between them and subject to prior approval by an Extraordinary Resolution of Registered Holders of Units, to modify, amend, alter or add to the provisions of this Deed to change the arrangements set out in this Deed to make them consistent with a structure which complies with any future Relevant Laws and Regulations which are introduced in Hong Kong to specifically govern the listing, operation and management of listed trusts which hold an operating business (including holding such a business by holding shares in one or more companies conducting an operating business) as the sole or principal asset of the trust (the *New Specific Regulations*). If such New Specific Regulations are introduced in the future it is intended that, subject to prior approval by an Extraordinary Resolution of Registered Holders of Units, the Trustee-Manager and the Company would have the authority to change the arrangements set out in this Deed to a structure which is authorised under, and fully compliant with, the New Specific Regulations and that those aspects of the arrangements set out in this Deed which are not required under such New Specific Regulations could be dispensed with provided that the New Specific Regulations are fully complied with in respect of any changed structure and any modifications, amendments, alterations or additions to the provisions of this Deed.

The Trustee-Manager shall certify in writing that, in its opinion, the relevant modification, amendment, alteration or addition falls within one or more of the descriptions above.

- (b) Subject to **Clause 26(a)**, no modification, amendment, alteration or addition of or to any of the following provisions of this Deed shall be made:

 - (viii) **Clause 11** (*Register of Members, Transfers of Beneficial Interests in Ordinary Shares and Register of Beneficial Interests*);
 - (ix) **Clause 12** (*Exchange*);
 - (x) **Clause 13** (*Object and Purpose of the Trust*);

- (xi) **Clause 14.1(b)**, which provides that the Trustee-Manager shall ensure that all amounts distributed or paid to the Trustee-Manager by the Company in respect of the Ordinary Shares are distributed to the Registered Holders of Units, subject to the deduction of any and all amounts permitted to be deducted or paid from the Trust Property under this Deed but excluding (for the avoidance of doubt) all other provisions of **Clause 14**;
 - (xii) **Clauses 18.1 to 18.5**, relating to the safe custody of the Trust Property and the segregated accounts, but excluding (for the avoidance of doubt) all the other provisions of **Clause 18**;
 - (xiii) **Clause 20.1**, providing that Registered Holders of Share Stapled Units shall receive all notices in respect of both the Trust and the Company, but excluding (for the avoidance of doubt) all the other provisions of **Clause 20**;

 - (xviii) **Clause 36** (*Governing Law*).
- (c) Subject to **Clauses 26(a)** and **26(b)**, any other modification, amendment, alteration or addition to the provisions of this Deed may only be made with the sanction of an Extraordinary Resolution of Registered Holders of Units.

 - (ii) any holder of Preference Shares or Ordinary Shares any obligation to make further payments in respect of the Shares included in his holding of Share Stapled Units (where the issue price of such Shares has already been fully paid).
- (e) The Trustee-Manager shall as soon as practicable after any modification, amendment, alteration or addition to the provisions of this Deed give notice of the relevant modification, amendment, alteration or addition to the Registered Holders of Units by way of announcement published in accordance with the Listing Rules, unless the relevant modification, amendment, alteration or addition is not, in the opinion of the Trustee-Manager, of material significance. All fees, costs and expenses incurred by the Trustee-Manager in connection with any such document supplemental to this Deed (including expenses incurred in the holding of a meeting of Registered Holders of Units, if necessary) shall be charged against the Trust Property.
- (f) Notwithstanding anything expressed or implied to the contrary in this Deed, no modification, amendment or alteration shall be made to **Clause 23.1(i)**.

- (g) The Trustee-Manager and the Company must disclose the Linked and Stapled structure in their listing documents (as defined in the Listing Rules) and annual reports and must disclose any proposed changes to the structure by way of announcement published in accordance with the Listing Rules.

- (e) Under the Articles, where proposals are under consideration concerning the appointment (including fixing or varying the terms of or terminating the appointment) of two or more directors of the Company to offices or employments with the Company or any company in which the Company is interested, such proposals shall be divided and considered in relation to each director separately.
- (f) Under the Articles, the board of directors of the Company has power from time to time and any time, subject to the provisions of the Articles, to appoint any person as a director of the Company either to fill a casual vacancy or as an addition to the board of directors of the Company. - (h) Any director of the Company and any director of the Trustee-Manager may at any time by notice delivered to the registered office or head office or at a meeting of the directors of the Company or the Trustee-Manager, as the case may be, appoint any person to be his alternate director. Any person so appointed shall have all the rights and powers of the director or directors of the Company or the Trustee-Manager, as the case may be, for whom such person is appointed in the alternative, provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate director of the Company or the Trustee-Manager, as the case may be, shall continue until the next annual election of directors of the Company or the Trustee-Manager, as the case may be, or, if earlier, the date on which the relevant director of the Company or the Trustee-Manager, as the case may be, ceases to be a director of the Company or the Trustee-Manager, as the case may be. Any appointment or removal of an alternate director of the Company or the Trustee-Manager, as the case may be, shall be effected by notice signed by the appointor and delivered to the registered office or head office of the Company or the Trustee-Manager, as case may be, or tendered at a meeting of the board of directors of the Company or the Trustee-Manager, as the case may be. For the purposes of the proceedings at such meeting, the provisions of the Articles or the articles of association of the Trustee-Manager, as the case may be, shall apply as if he were a director of the Company or the Trustee-Manager, as the case may be, save that if he is himself a director of the Company or the Trustee-Manager, as the case may be, or is an alternate for more than one director of the Company or the Trustee-Manager, as the case may be, his voting rights shall be cumulative and he need not use all his votes or cast all the votes in the same way.

If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act (as to which a certificate by the alternate director shall, in the absence of actual notice to the contrary to the other directors of the Company or the Trustee-Manager, as the case may be, be conclusive), his signature to any resolution in writing of the board of directors of the Company or the Trustee-Manager, as the case may be, or a committee of the board of directors of the Company or the Trustee-Manager, as the case may be, of which his appointor is a member shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.
- (k) An alternate director of the Company or the Trustee-Manager, as the case may be, shall *ipso facto* cease to be an alternate Director if his appointor ceases for any reason to be a director of the Company or the Trustee-Manager, as the case may be, however, such alternate director of the Company or the Trustee-Manager, as the case may be, or any other person may be re-appointed by the directors of the Company or the Trustee-Manager, as the case may be, to serve as an alternate director of the Company or the Trustee-Manager, as the case may be, provided always that, if at any meeting any director of the Company or the Trustee-Manager, as the case may be, retires but is re-elected at the same meeting, any appointment of such alternate director pursuant to the Articles or the articles of association of the Trustee-Manager, as the case may be, which were in force immediately before his retirement shall remain in force as though he had not retired.

- (l) An alternate director of the Company or the Trustee-Manager, as the case may be, shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a director of the Company or the Trustee-Manager, as the case may be, but he shall not be entitled to receive from the Company or the Trustee-Manager, as the case may be, in respect of his appointment as alternate director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company or the Trustee-Manager, as the case may be, from time to time direct.

- (m) At each Annual General Meeting of the Company and the Trust, one-third of the directors of the Company and the Trustee-Manager for the time being (including directors appointed for a specific term and directors who may be required to retire at the same Annual General Meeting under other provisions of this Deed), or if their number is not three or a multiple of three, then the number nearest to but no less than one-third, shall retire from office by rotation, provided that (i) every director of the Company and the Trustee-Manager shall be subject to retirement by rotation at least once every three years and (ii) the directors of the Company retiring at the Annual General Meeting of the Company must be the same directors of the Trustee-Manager retiring at the Annual General Meeting of the Trust. The directors of the Company and the Trustee-Manager to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any director who wishes to retire and not offer himself for re-election. Any further directors so to retire shall be those of the other directors who have been longest in office since their appointment or last election but as between persons who became directors on the same day those to retire shall (unless they otherwise agree between themselves) be determined by lot. The number of directors to retire on each occasion shall be determined by reference to the composition of the board of directors of the Company and the Trustee-Manager at the date of the notice convening the relevant Annual General Meeting and no director shall be required to retire by rotation pursuant to this **Clause 29.2(m)** or be relieved from retiring by reason of a change in the number of directors after the date of such notice but before the close of the relevant Annual General Meeting. A retiring director shall be eligible for re-election and shall continue to act as a director throughout the meeting at which the director retires.

- (b) An officer or agent of the Trustee-Manager shall not make improper use of any information acquired by virtue of his position as an officer or agent of the Trustee-Manager to gain, directly or indirectly, an advantage for himself or for any other person to the detriment of the Registered Holders of Units.
 - (c) The duty of a director of the Trustee-Manager under **Clause 29.3(a)** shall be paramount and override any conflicting duty of such director to the shareholders of the Trustee-Manager. The memorandum of association and articles of association of the Trustee-Manager shall contain provisions to that effect and a company shall not be eligible to be appointed, or to continue, as a trustee-manager of the Trust if either its memorandum of association or articles of association do not contain those provisions.

- 1.1 The Trustee-Manager shall at least once in every financial year convene a general meeting of the Registered Holders of Units as the Annual General Meeting thereof in addition to any other meetings in that year and shall specify the meeting as such in the notice calling it and the Annual General Meeting must be held within six (6) months after the end of the Company's financial year. The Annual General Meeting shall be held at such time and place in such manner as set out in paragraph 1.6(a) of **Schedule 1** as the Trustee-Manager shall appoint and not less than 21 days' notice (exclusive of the day on which the notice is served or deemed to be served and of the day for which the notice is given) in writing thereof shall be given to the Registered Holders of Units.
- 1.2 The Trustee-Manager may (and the Trustee-Manager shall at the request in writing of Registered Holders of Units holding not less than one-tenth of the Units for the time being in issue and outstanding) at any time convene a meeting of Registered Holders of Units at such time or place in Hong Kong (subject as hereinafter provided) and in such manner as set out in paragraph 1.6(a) of **Schedule 1** as the party convening the meeting may think fit and propose resolutions for consideration at such meeting.
- 1.3 The following provisions of this **Schedule 1** shall apply both to Annual General Meetings and other meetings of Registered Holders of Units.
- 1.4 At any meeting of Registered Holders of Units, the Trustee-Manager or a person nominated by the Trustee-Manager shall be the Chairman of the meeting.
- 1.5 A declaration by the Chairman that a resolution has been carried or carried unanimously or by a particular majority or lost shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 1.6
 - (a) The Trustee-Manager may at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations (the **Meeting Location(s)**) determined by the Trustee-Manager at its absolute discretion. Any Registered Holder of a Unit or any proxy attending and participating in such way or any Registered Holder of a Unit or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
 - (b) All general meetings are subject to the following and, where appropriate, all references to a "Registered Holder of a Unit(Units)" in this sub-paragraph (b) shall include a proxy or proxies respectively and in the case of a member being a corporation, shall include its duly authorised representative:
 - (i) where a Registered Holder of a Unit is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;

- (ii) Registered Holder of Units present in person or by proxy at a Meeting Location and/or Registered Holder of Units attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the Chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Registered Holder of Units at all Meeting Locations and Registered Holder of Units participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;
- (iii) where Registered Holder of Units attend a meeting by being present at one of the Meeting Locations and/or where Registered Holder of Units participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Registered Holder of Units or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and
- (iv) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of this Deed concerning the service and giving of notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the notice for the meeting.

1.7 The Trustee-Manager and, at any general meeting, the Chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Registered Holder of a Unit who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Registered Holder of a Unit so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

1.8 If it appears to the Chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have been malfunctioned for the purposes referred to in paragraph 1.6(a) above or are otherwise not able to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have been malfunctioned; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the Chairman of the meeting may have under this Deed or at common law, the Chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

1.9 The Trustee-Manager and, at any general meeting, the Chairman of the meeting may make any arrangement and impose any requirement or restriction the Trustee-Manager or the Chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Registered Holders of Units shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Deed shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

1.10 If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Trustee-Manager, in its absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the notice calling the meeting, it may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Registered Holders of Units. Without prejudice to the generality of the foregoing, the Trustee-Manager shall have the power to provide in every notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This paragraph shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the notice are changed, the Trustee-Manager shall notify the Registered Holders of Units of details of such change in such manner as the Trustee-Manager may determine;
- (c) when a meeting is postponed or changed in accordance with this paragraph, subject to and without prejudice to paragraph 4.3 below, unless already specified in the original notice of the meeting, the Trustee-Manager shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Registered Holders of Units of such details in such manner as the Trustee-Manager may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by this Deed not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original notice of general meeting circulated to the Registered Holders of Units.

1.11 All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to paragraph 1.8 above, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

1.12 Without prejudice to other provisions in paragraph 4.3 below, a physical meeting may also be held by means of such telephone, electronic or other communication facilities permitting all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

2. NOTICE OF MEETINGS

2.1 The Trustee-Manager shall be entitled to receive notice of and to attend at any such meeting. Any director or other duly authorised representative and the solicitors of the Trustee-Manager (and any other person authorised in that behalf by the Trustee-Manager) may attend and speak at the meeting.

2.2 At least 14 days' notice (exclusive of the day on which the notice is served or deemed to be served and of the day for which the notice is given) of every meeting shall be given to the Registered Holders of Units in the manner provided in this Deed, except that at least 21 days' notice (exclusive of the day on which the notice is served or deemed to be served and of the day for which the notice is given) of the meeting shall be given to the Registered Holders of Units where an Extraordinary Resolution of Registered Holders of Units is proposed for consideration at such meeting. The notice shall specify (a) the day and time of meeting; (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Trustee-Manager pursuant to paragraph 1.6(a) above, the principal place of the

meeting (the *Principal Meeting Place*); (c) if the meeting is to be a hybrid meeting or an electronic meeting, the notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting; and (d) and the terms of any resolution to be proposed thereat. The accidental omission to give notice to or the non-receipt of notice by any of the Registered Holders of Units shall not invalidate any resolution passed or any proceedings at any meeting.

2.3 Notwithstanding that a meeting of Registered Holders of Units is called by shorter notice than that referred to in **paragraph 2.2**, it shall be deemed to have been duly called if it is so agreed:

- (a) in the case of a meeting called as an Annual General Meeting, by all the Registered Holders of Units entitled to attend and vote thereat or their proxies; and
- (b) in the case of any other meeting, by a majority in number of the Registered Holders of Units having a right to attend and vote at the meeting, being a majority together holding not less than 95% in nominal value of the Units giving that right.

3. QUORUM AND VOTING

3.1 At any meeting of Registered Holders of Units, two or more Registered Holders of Units present in person (including attendance by electronic means), by corporate representative or by proxy, shall be a quorum. No business shall be transacted at any meeting unless the requisite quorum is present at the commencement of business. Split proxies (whereby a Registered Holder of Units may vote some of the Units registered in his name in favour of a resolution and some of them against) shall, for the avoidance of doubt, be permitted, provided that the provisions of **Clause 4.7(f)** of the Deed are complied with (if they are applicable).

3.2 Where any Registered Holder of Units is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Registered Holder of Units in contravention of such requirement or restriction shall not be counted.

3.3 All Registered Holders of Units are entitled to vote their Units on an Ordinary Resolution of Registered Holders of Units to remove the Trustee-Manager and/or appoint any replacement trustee-manager of the Trust, and be counted in the quorum for the purposes of passing such Ordinary Resolution of Registered Holders of Units.

3.4 Subject to **paragraph 3.5** below, at any meeting a resolution put to the meeting shall be decided on a poll and the result of the poll shall be deemed to be the resolution of the meeting. A poll shall be taken in such manner (including the use of ballot or voting papers or tickets) as the Chairman may direct and the result of the poll shall be deemed to be the resolution of the general meeting at which the poll was demanded. The Chairman may (and if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll. A poll shall be taken at such time and place as the Chairman directs. A poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

- 3.5 (a) In the case of a physical meeting, the Chairman of a meeting may in good faith allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Registered Holder of Units present in person, by corporate representative or by proxy shall have one vote provided that where more than one proxy is appointed by a Registered Holder of Units which a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For the purposes of this **paragraph 3.5**, procedural and administrative matters are those prescribed under the Listing Rules to be voted on by a show of hands. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Chairman of the meeting may determine.
- (b) In the case of a physical meeting, where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (i) by the Chairman; or
 - (ii) by at least three Registered Holders of Units present in person or by proxy for the time being entitled to vote at the meeting; or
 - (iii) by any Registered Holder(s) of Units present in person or by proxy and representing not less than one-tenth of the total voting rights of all the Registered Holders of Units having the right to vote at the meeting; or
 - (iv) by any Registered Holder(s) of Units present in person or by proxy and holding Units conferring a right to vote at the meeting being Units on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Units conferring that right.

Unless a poll be so demanded and the demand is not withdrawn, a declaration by the Chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the meeting, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution. The demand for a poll may be withdrawn.

- 3.6 On a vote permitted by way of show of hands, every Registered Holder of Units present in person (or in the case of a Registered Holder of Units being a corporation, by its duly authorised representative) shall have one vote and on a poll every Registered Holder of Units who is present in person, by corporate representative or by proxy shall have one vote for every Unit of which he is the Registered Holder provided such Units are fully paid up. Votes cast by a Registered Holder of Units in contravention of the applicable provisions of the Listing Rules shall not be counted.
- 3.7 In the case of Joint Registered Holders of Units, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such Unit, but if more than one of such joint holders be present at any meeting personally or by proxy, the vote of the Joint Registered Holder so present being the most, or as the case may be more, senior, whether tendered in person or by proxy, shall be accepted to the exclusion of the votes of the other Joint Registered Holders; and for this purpose seniority shall be determined by the order in which the names of the Joint Registered Holders of Units stand in the Units Register in respect of the relevant joint holding. Several executors

or administrators of a deceased member in whose name any Unit stands shall for the purposes of this **paragraph 3.7** be deemed joint holders thereof.

- 3.8 On a poll, votes may be given either personally, by corporate representative or by proxy.
- 3.9 An instrument of proxy may be in a usual common form or in any other form which the Trustee-Manager shall approve. The use of two-way proxy forms is not precluded.
- 3.10 The instrument appointing a proxy shall be in writing, under the hand of the appointor or of his attorney duly authorised in writing or if the appointor is a corporation either under the common seal or under the hand of an officer or attorney so authorised. The Trustee-Manager shall have the right to reject an instrument appointing a proxy which has not been properly completed. In determining the rights to vote and other matters in respect of a completed instrument of proxy submitted to it, the Trustee-Manager shall have regard to any instructions and/or notes set out in the instrument of proxy.
- 3.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal (or revocation of the proxy or of the power of attorney or other authority under which the proxy was signed) or the transfer of the Units in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received at the place appointed for the deposit of proxies (or if no such place is appointed at the registered office of the Registrar) at least two hours before the commencement of the meeting or adjourned meeting or postponed meeting at which the proxy is used.
- 3.12 Any Registered Holder of Units being a corporation may by resolution of its directors (or other governing body) authorise any person to act as its representative at any meeting of Registered Holders of Units and a person so authorised shall at such meeting be entitled to exercise the same powers on behalf of the corporation as the corporation could exercise if it were an individual Registered Holder of Units.
- 3.13 A Registered Holder of Units shall have the right to speak at any meeting of Registered Holders of Units and may appoint any number of proxies to attend and vote at the same meeting. A proxy need not be a Unitholder and a proxy so appointed shall have the same right as the Registered Holder of Units to speak at the meeting.
- 3.14 Where a Registered Holders of Units is a recognised clearing house (within the meaning of the Securities and Futures Ordinance) or its nominee(s), it may authorise such person or persons as it thinks fit to act as its representative(s) or proxy(ies) at any meeting of Registered Holders of Units or any class of Registered Holders of Units provided that, if more than one person is so authorised, the authorisation or proxy form must specify the number and class of Units in respect of which each such person is so authorised. The person so authorised will be deemed to have been duly authorised without the need of producing any documents of title, notarised authorisation and/or further evidence for substantiating the fact that it is duly authorised. Each person so authorised will be entitled to exercise the same power on behalf of the recognised clearing house or its nominee(s) as that clearing house or its nominee(s) could exercise if it were an individual Registered Holder of Units holding the number of Units specified in such authorisation including, where a show of hands is allowed, the right to vote individually on a show of hands.

- 3.15 (a) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under this Deed) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this paragraph is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this paragraph or if no electronic address is so designated by the Company for the receipt of such document or information.
- (b) The instrument appointing a proxy and (if required by the Trustee-Manager) the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority shall be deposited at the place specified in the notice convening the meeting or in any notice of any adjournment or, in each case, in any document sent therewith (or, if no such place is specified, at the registered office of the Registrar) not less than 48 hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote, or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting or postponed meeting, not less than 48 hours before the time appointed for the taking of the poll, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date stated in it as the date of its execution. Delivery of any instrument appointing a proxy shall not preclude a Registered Holder of Units from attending and voting in person at the meeting or poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked. A person appointed to act as a proxy need not be a Registered Holder of Units.
- 3.16 No Registered Holder of Units shall, unless the Trustee-Manager otherwise determines, be entitled in respect of Units held by him to vote at a meeting either personally or by proxy or to exercise any other right conferred by his holding of Units in relation to meetings if any call or other sum presently payable by him in respect of such Units remains unpaid.
- 3.17 An Extraordinary Resolution of Registered Holders of Units or an Ordinary Resolution of Registered Holders of Units, as the case may be, shall be binding on all Registered Holders of Units whether or not present at the relevant meeting and each of the Registered Holders of Units and the Trustee-Manager shall, subject to the provisions relating to indemnity in this Deed, be bound to give effect thereto accordingly.

4. ADJOURNED MEETINGS

- 4.1 If within thirty (30) minutes (or such longer time not exceeding one hour as the Chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of the Registered Holders of Units, shall be dissolved. In any other case, it shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) or to such time and (where applicable) such place(s) and in such form and manner referred to paragraph 1.6(a) of **Schedule 1** as the Trustee-Manager may absolutely determine. If at such adjourned meeting, a quorum is not present within thirty (30) minutes from the time appointed for holding the meeting, the meeting shall be dissolved. Any proxy for the original meeting shall be valid for twelve months from the date named in it as the date of its execution (unless the relevant proxy otherwise specifies).
- 4.2 Notice of the adjourned meeting shall be given in the same manner as for an original meeting. Such notice shall state that the Registered Holders of Units present at the adjourned meeting whatever their number and the value of the Units held by them will form a quorum thereat.
- 4.3 Subject to paragraph 1.8 of **Schedule 1**, the Chairman may with the consent of any meeting at which a quorum is present and shall if so directed by the meeting adjourn the meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting) but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

5. MINUTES OF MEETINGS

- 5.1 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by or on behalf of the Trustee-Manager at the Trust's expense and any such minute as aforesaid if purporting to be signed by the Chairman of the meeting shall be conclusive evidence of the matters therein stated. Until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly convened and held and all resolutions passed thereat to have been duly passed.
- 5.2 The Trustee-Manager shall make the minutes of meetings of Registered Holders of Units referred to in **paragraph 5.1** above available for inspection by any Registered Holder of Units, during the hours of 9:00 a.m. to 5:00 p.m. on each Business Day, without charge. The Trustee-Manager shall, within 14 days after any Registered Holder of Units has made a request a writing for a copy of any of those minutes, furnish that Registered Holder of Units with a copy of the minutes without charge.

Certificates so executed shall be valid and binding notwithstanding that the person whose signature appears thereon as a duly authorised signatory of the Registrar or the Trustee-Manager may have ceased to be so authorised.

2. DELIVERY OF CERTIFICATES

The Registrar or, where there is no Registrar, the Trustee-Manager shall sign and deliver Certificates in such denominations as may be required for Share Stapled Units which have been agreed to be issued and for which one or more Certificates have been requested by the relevant Registered Holder of Share Stapled Units and for such purpose shall be entitled to rely on a declaration in writing by or on behalf of the Trustee-Manager as to the Share Stapled Units from time to time agreed to be issued and the request for Certificates (if appropriate). Notwithstanding this, the Registrar or, where there is no Registrar, the Trustee-Manager shall deliver any such Certificates only against payment or transfer to the Registrar or the Trustee-Manager of the cash or other consideration (if any) received by the Trust in respect of the issue of the Share Stapled Units concerned. The Registrar shall also from time to time sign and deliver Certificates required to be issued pursuant to any provision of this Deed upon due compliance with the conditions applicable thereto. Notwithstanding the foregoing provisions, Certificates may also be issued in such other manner, at such other time or subject to such conditions as may be specified in any Offering Circular.

3. ISSUE, EXCHANGE, CANCELLATION AND REPLACEMENT OF CERTIFICATES

- 3.1 The Registrar or, where there is no Registrar, the Trustee-Manager shall not be obliged to issue more than one Certificate to each Registered Holder of Share Stapled Units. Nevertheless, and upon paying such fee as the Registrar (or, where there is no Registrar, the Trustee-Manager) may from time to time determine, any Registered Holder of Share Stapled Units may apply to the Registrar (or, where there is no Registrar, the Trustee-Manager) to exchange his Certificate (if any) or all of his Certificates for one or more Certificates of such authorised denominations as he may require representing the same aggregate number of Share Stapled Units. Before any such exchange as aforesaid is carried out, the Registered Holder of Share Stapled Units shall surrender to the Registrar or, where there is no Registrar, the Trustee-Manager for cancellation the Certificate or Certificates to be exchanged and shall pay to or to the order of the Registrar or the Trustee-Manager all monies (if any) payable hereunder in respect of the issue of the new Certificate or Certificates.

- 3.2 In case any Certificate shall become mutilated or defaced, the Registrar or, where there is no Registrar, the Trustee-Manager may in its discretion issue to the person entitled thereto in exchange for and upon surrendering for cancellation the mutilated or defaced Certificate a new Certificate. In case any Certificate shall be lost, stolen or destroyed, the Registrar or, where there is no Registrar, the Trustee-Manager, may in its discretion issue to the person entitled thereto a new Certificate in lieu thereof. No such new Certificate shall be issued unless the applicant shall previously have:
- (a) (in the case of loss, theft or destruction) furnished to the Registrar or, where there is no Registrar, the Trustee-Manager evidence satisfactory to the Registrar or, where there is no Registrar, the Trustee-Manager of the loss, theft or destruction of the original Certificate;
 - (b) paid all expenses incurred in connection with the investigation of the facts by the Registrar or, where there is no Registrar, the Trustee-Manager;
 - (c) (in the case of defacement or mutilation) produced and surrendered to the Registrar or, where there is no Registrar, the Trustee-Manager for cancellation the defaced or mutilated Certificate; and
 - (d) (if required by the Trustee-Manager or the Registrar so to do) furnished to the Trustee-Manager or the Registrar such indemnity or bond as the Trustee-Manager or the Registrar may require.

The Registered Holder of Share Stapled Units shall pay such fee as the Registrar (or, where there is no Registrar, the Trustee-Manager) may from time to time determine for the issuance of a new Certificate under this **paragraph 3.2**. The Trustee-Manager shall not incur any liability for any action by the Trustee-Manager or the Registrar which is taken in accordance with this **Schedule 3** (other than any liability resulting from the fraud, wilful default or negligence, by the Trustee-Manager or its Officers).

- 3.3 Every Certificate issued under the provisions of this **paragraph 3** shall be in the name of the Registered Holder of the Share Stapled Units represented by the Certificate surrendered, lost, stolen or destroyed.
- 3.4 All mutilated or defaced Certificates surrendered pursuant to this **paragraph 3** shall be cancelled forthwith by the Registrar or the Trustee-Manager, as appropriate.
- 3.5 Upon a transfer of Share Stapled Units or upon exchange or upon a distribution in respect of any Share Stapled Unit, the Trustee-Manager and the Registrar may (in their absolute discretion) dispense with production of any Certificate which has been lost, stolen or destroyed upon compliance by the Registered Holder with the like requirements as are set out in **paragraph 3.2** above.

4. STAMP DUTY, TAX AND OTHER CHARGES

Before procuring the issue of any Certificate under the provisions of this **Schedule 3**, the Trustee-Manager or the Registrar may require from the applicant for the Certificate the payment to it of a sum sufficient to cover any stamp duty or other Taxes or charges or other charges that may be payable in connection with the issue of such Certificate.
