- (b) While the Trust Deed remains in force, but subject to the Exchange Right, the Company must ensure that each Preference Share is specifically identified and remains Stapled to a Unit in accordance with the provisions of the Trust Deed.

- 3.12 (a) Subject to Article 3.12(b), the Company or any of its subsidiaries may issue Convertible Instruments jointly with the Trustee-Manager in accordance with the provisions of the Trust Deed.
- (b) Any Convertible Instrument issued under Article 3.12(a) must provide that it may only be converted into or exchanged for Share Stapled Units in their entirety and shall not be convertible into or exchangeable for any of the individual components (Unit, Ordinary Share and Preference Share) of a Share Stapled Unit.
- 3.13 Subject to Articles 3.2 to 3.12, the applicable provisions of the Trust Deed and to any direction that may be given by the Company in general meeting and without prejudice to any special rights conferred on the holders of any existing shares or attaching to any class of shares, any share may be issued with or have attached thereto such preferred, deferred, qualified or other special rights or restrictions, whether in regard to dividend, voting, return of capital or otherwise, and to such persons at such times and for such consideration as the Board may determine. Subject to the Act and to any special rights conferred on any members or attaching to any class of shares, any share may, with the sanction of a special resolution, be issued on terms that it is, or at the option of the Company or the holder thereof is, liable to be redeemed. No shares shall be issued to bearer.
- 3.14 The Company in general meeting may, from time to time, whether or not all the shares for the time being authorised shall have been issued and whether or not all the shares for the time being issued shall have been fully paid up, by ordinary resolution, increase its share capital by the creation of new shares, such new capital to be of such amount and to be divided into shares of such respective amounts as the resolution shall prescribe.
- 3.15 Subject to Articles 3.2 to 3.12 and to the provisions of the Act and the Memorandum of Association of the Company, the unissued shares in the Company (whether forming part of its original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such times, for such consideration, and upon such terms, as the Board shall determine.
- 3.16 If at any time the share capital of the Company is divided into different classes of shares, all or any of the rights attached to any class of shares for the time being issued (unless otherwise provided for in the terms of issue of the shares of that class) may, subject to the provisions of the Act, be varied or abrogated with the sanction of a special resolution passed at a separate meeting of the holders of shares of that class. To every such separate meeting all the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply, but so that the quorum for the purposes of any such separate meeting and of any adjournment thereof shall be persons present in person (or by proxy or duly authorised representative) being registered holders of at least one-third of the issued shares of that class at the date of the relevant meeting.

- 3.17 The special rights conferred upon the holders of shares of any class shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.
- 3.18 Without prejudice to the generality of Articles 3.16 and 3.17, the rights attached to the Preference Shares shall be deemed to be varied by the Company varying in any way (whether directly or indirectly) the rights attached to the Ordinary Shares.
- 3.19 Except for the repurchase or redemption of the Preference Shares in accordance with the provisions of the Trust Deed and these Articles, the Company shall not repurchase or redeem any shares otherwise than as components of Share Stapled Units and unless and until the Company is permitted to repurchase or redeem Share Stapled Units by relevant codes and guidelines issued by the Securities and Futures Commission of Hong Kong from time to time. Thereafter, for as long as the Trust Deed remains in force and except for the repurchase or redemption of the Preference Shares in accordance with the provisions of the Trust Deed and these Articles, the Company may only repurchase or redeem Shares as components of Share Stapled Units repurchased or redeemed and only to the extent permitted by, and in accordance with the provisions of, Relevant Acts and Regulations and any applicable codes and guidelines as may be issued by the Securities and Futures Commission of Hong Kong from time to time.
- 3.20 Subject to Articles 3.2 to 3.12 and to the provisions of the Act and the Memorandum of Association of the Company, and to any special rights conferred on the holders of any shares or attaching to any class of shares, shares may be issued on terms that they may be, or at the option of the Company or the holders are, liable to be redeemed on such terms and in such manner, including out of capital, as the Board may deem fit.
- 3.21 INTENTIONALLY DELETED

- 3.22 The purchase or redemption of any share shall not be deemed to give rise to the purchase or redemption of any other share.
- 3.23 The holder of the shares being purchased, surrendered or redeemed shall be bound to deliver up to the Company at its principal place of business in Hong Kong or such other place as the Board shall specify the certificate(s) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies in respect thereof.
- 3.24 The Company may, unless prohibited by law, at any time pay a commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) for any shares in the Company or procuring or agreeing to procure subscriptions (whether absolute or conditional) for any shares in the Company, but so that the conditions and requirements of the Act shall be observed and complied with, and in each case the commission shall not exceed 10% of the price at which the shares are issued.
- 3.25 While the Trust Deed remains in force, all of the issued Ordinary Shares must be registered in the Principal Register in the name of the Trustee-Manager in its capacity as trustee-manager of the Trust in accordance with the provisions of the Trust Deed and each Unit in the Trust confers on the registered holder of the relevant Unit a beneficial interest, on and subject to the terms and conditions of the Trust Deed, in the specifically identified Ordinary Share registered in the Principal Register in the name of the Trustee-Manager which is Linked to the relevant Unit in accordance with the provisions of the Trust Deed. Subject to that, and except as otherwise expressly provided by these Articles or the Trust Deed or as required by law or as ordered by a court of competent jurisdiction, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any shares or any interest in any fractional part of a share or any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

 - (e) the Company must ensure that the information in the Register of Beneficial Interests is at all times entirely consistent with the information in the Share Stapled Units Register.
- 4.6 For as long as the Trust Deed remains in force, the Company must ensure that the information in the Hong Kong Branch Register of Members relating to the holders of the Preference Shares is at all times entirely consistent with the information in the Share Stapled Units Register.
- 4.7 The Board may, in its absolute discretion, at any time transfer any share upon the Principal Register to any branch register or any share on any branch register to the Principal Register or any other branch register.
- 4.8 Notwithstanding anything contained in this Article, the Company shall as soon as practicable and on a regular basis record in the Principal Register all transfers of shares effected on any branch register and shall at all times maintain the Principal Register in such manner as to show at all times the members for the time being and the shares respectively held by them, in all respects in accordance with the Companies Act.
- 4.9 The Register of Members and/or the Register of Beneficial Interests may, after notice has been given in accordance with the Listing Rules, or, in accordance with the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or advertisement published in the newspapers circulating generally in Hong Kong, be closed at such times and for such periods as the Board may from time to time determine, either generally or in respect of any class of shares, provided that the Register of Members and/or the Register of Beneficial Interests shall not be closed for more than 30 days in any year (or such longer period as the members may by ordinary resolution determine provided that such period shall not be extended beyond 60 days in any year). The Company shall, on demand, furnish any person seeking to inspect the Register of Members or the Register of Beneficial Interests or part of either of them which is closed by virtue of these Articles with a certificate under the hand of the Secretary stating the period for which, and by whose authority, it is closed.

- 4.10 The Hong Kong Branch Register of Members and the Register of Beneficial Interests shall during normal business hours (subject to such reasonable restrictions as the Board may impose) be open to inspection by a member without charge and any other person on payment of such fee not exceeding HK\$2.50 (or such higher amount as may from time to time be permitted under the Listing Rules) as the Board may determine for each inspection. Any person may require a copy of the Register of Members or Register of Beneficial Interests (as the case may be), or any part thereof, on a payment as the Registrar may prescribe. The Registrar shall cause any copy so required by any person to be sent to that person within a period of 10 days commencing on the date next after the day on which the request is received by the Registrar.
- 4.11 Subject to Article 4.12, every person whose name is entered as a member in the Register of Members shall be entitled without payment to receive, within the relevant time limit as prescribed in the Act or as the Exchange may from time to time determine, whichever is shorter, after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide), one certificate for all his shares of each class or, if he shall so request, and if so approved in advance by the Board, and upon payment, in the case of a transfer, of a sum equal to the relevant maximum amount as the Exchange may from time to time determine for every certificate after the first or such lesser sum as the Board shall from time to time determine, such numbers of certificates for (a) shares in Exchange board lots (or multiples thereof) and one for the balance (if any) of the shares in question or (b) shares in such amounts other than Exchange board lots, as he shall request, provided that in respect of a share or shares held jointly by several persons the Company shall not be bound to issue a certificate or certificates to each such person, and the issue and delivery of a certificate or certificates to one of several joint holders shall be sufficient delivery to all such holders. All certificates for shares shall be delivered personally or sent through the post addressed to the member entitled thereto at his registered address as appearing in the Register of Members.
- 4.12 While the Trust Deed remains in force, as contemplated by clause 9.2 of the Trust Deed the requirement of Article 4.11 for the Company to issue certificates in respect of shares held by members shall be satisfied in respect of the Preference Shares by way of certificates issued in respect of Share Stapled Units, which shall be issued in respect of both:
- (a) the Units registered in the name of a Registered Holder of Units in the Units Register; and
 - (b) the Preference Shares registered in the Hong Kong Branch Register of Members in the name(s) of the same person(s) who are shown in the Units Register as the Registered Holders of the Units which are Stapled to the relevant Preference Shares.

Certificates in respect of Share Stapled Units will be printed in accordance with all applicable requirements of the Exchange and/or any other stock exchange on which the Share Stapled Units are listed from time to time, will be in a form approved by the Company and the Trustee-Manager and shall be prima facie evidence of the title of the person named in the certificate to the Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units). Further provisions relating to the form, execution, delivery and issue of certificates and related matters are as set out in schedule 3 to the Trust Deed.

- 4.13 Every certificate for shares or debentures or representing any other form of security of the Company shall be issued under the seal of the Company, which shall only be affixed or imprinted with the authority of the Board.
- 4.14 Every share certificate shall specify the number and class of shares in respect of which it is issued and the amount paid thereon or the fact that they are fully paid, as the case may be, and may be in such form as the Board may from time to time prescribe. While the Trust Deed remains in force, the requirements of this Article 4.14 shall be deemed satisfied in respect of the Preference Shares by the issue of certificates in respect of Share Stapled Units (and the Company shall not be required to issue separate or additional certificates in respect of shares which are components of Share Stapled Units). The number of Share Stapled Units specified in such certificates shall be taken to specify that the certificate represents an equal number of Units and Preference Shares and a beneficial interest in an equal number of Ordinary Shares, being the individual components of the Share Stapled Units; and any reference in such certificates to the Share Stapled Units represented by the relevant certificate being fully paid shall include a reference that each of the individual components of the Share Stapled Units represented by the relevant certificate have been fully paid.
- 4.15 The Company shall not be bound to register more than four persons as joint holders of any share. If any share shall stand in the names of two or more persons, the person first named in the register shall be deemed the sole holder thereof as regards service of notices and, subject to the provisions of these Articles, all or any other matters connected with the Company, except the transfer of the share.
- 4.16 Subject to Article 4.17, if a share certificate is defaced, lost or destroyed, it may be replaced on payment of such fee, if any, not exceeding such amount as may from time to time be permitted under the Listing Rules or such lesser sum as the Board may from time to time require) and on such terms and conditions, if any, as to publication of notices, evidence and indemnity, as the Board thinks fit and where it is defaced or worn out, after delivery up of the old certificate to the Company for cancellation.

- 4.17 While the Trust Deed remains in force, if a certificate in respect of a Share Stapled Unit (including the Preference Share which is a component of the Share Stapled Unit) is defaced, lost or destroyed the provisions of schedule 3 to the Trust Deed shall apply in respect of the replacement of that certificate.
- 4.18 The Company shall have all powers under applicable law to rectify the Register of Members if it appears to the Company that any of the particulars recorded in the Register of Members is wrongly entered or omitted.
- 4.19 If the name of any person is without sufficient cause entered in or omitted from the Register of Members, or if default is made or unnecessary delay takes place in entering on the Register of Members the fact of any person having ceased to be a member, the person or member aggrieved or any member of the Company or the Company may apply for an order under section 47 of the Companies Act that the Register of Members be rectified.

5 Lien

- 5.1 The Company shall have a first and paramount lien on every share (not being a fully paid up share) for all monies, whether presently payable or not, called or payable at a fixed time in respect of such share; and the Company shall also have a first and paramount lien and charge on all shares (other than fully paid up shares) standing registered in the name of a member (whether solely or jointly with others) for all the debts and liabilities of such member or his estate to the Company and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such member or his estate and any other person, whether such person is a member of the Company or not.
- 5.2 The Company's lien (if any) on a share shall extend to all dividends and bonuses declared in respect thereof. The Board may resolve that any share shall for some specified period be exempt wholly or partially from the provisions of this Article.
- 5.3 Subject to the applicable provisions of Articles 3 and 7, the Company may sell in such manner as the Board thinks fit any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given to the registered holder for the time being of the shares or the person, of which the Company has notice, entitled to the shares by reason of such holder's death, mental disorder or bankruptcy.

5.4 The net proceeds of such sale by the Company after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale and upon surrender, if required by the Company, for cancellation of the certificate for the share sold) be paid to the holder immediately before such sale of the share. For giving effect to any such sale, the Board may authorise any person to transfer the shares sold to the purchaser thereof and may enter the purchaser's name in the register as holder of the shares, and the purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

6 **Calls on Shares**

6.1 For as long as the Trust Deed remains in force, the Company shall not issue any partly paid shares; provided that nothing in this Article or in the Trust Deed shall prohibit or restrict the Company from allotting or issuing any share on terms that the entire sum payable for the share is payable upon allotment or issue or by a fixed date falling no later than 10 Business Days following the date of allotment or issue of the share (or such later time as the Board may determine).

6.2 Subject to Article 6.1 which applies for as long as the Trust Deed remains in force, the Board may from time to time make such calls as it may think fit upon the members in respect of any monies unpaid on the shares held by them respectively (whether on account of the nominal amount of the shares or by way of premium or otherwise) and not by the conditions of allotment thereof made payable at fixed times. A call may be made payable either in one sum or by instalments. A call may be revoked or postponed as the Board may determine.

6.3 For as long as the Trust Deed remains in force, the Company may only make calls upon terms agreed with the Trustee-Manager and such terms shall be consistent with the Trust Deed.

6.4 Subject to Article 6.3, at least 14 days' notice of any call shall be given to each member specifying the time and place of payment and to whom such payment shall be made.

6.5 A copy of the notice referred to in Article 6.4 shall be sent in the manner in which notices may be sent to members by the Company as herein provided.

6.6 Every member upon whom a call is made shall pay the amount of every call so made on him to the person and at the time or times and place or places as the Board shall specify. A person upon whom a call is made shall remain liable on such call notwithstanding the subsequent transfer of the shares in respect of which the call was made.

- 6.7 Notice of the person appointed to receive payment of every call and of the times and places appointed for payment may be given to the members affected by notice published on the Exchange's website, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or by announcement published in the newspapers.
- 6.8 A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed.
- 6.9 The joint holders of a share shall be severally as well as jointly liable for the payment of all calls and instalments due in respect of such share or other monies due in respect thereof.
- 6.10 The Board may from time to time at its discretion extend the time fixed for any call, and may extend such time as to all or any of the members, whom by reason of residence outside Hong Kong or other cause the Board considers it reasonable to grant an extension to, but no member shall be entitled to any such extension as a matter of grace and favour.
- 6.11 If the sum or any instalment payable in respect of any call is unpaid on or before the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding 15% per annum as the Board shall determine from the day appointed for the payment thereof to the time of actual payment, but the Board may waive payment of such interest wholly or in part.
- 6.12 No member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another member) at any general meeting, either personally or by proxy, or be reckoned in a quorum, or to exercise any other privilege as a member until all sums or instalments due from him to the Company in respect of any call, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
- 6.13 At the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the member sued is entered in the register as the holder, or one of the holders, of the shares in respect of which such debt accrued; that the resolution making the call is duly recorded in the minute book; and that notice of such call was duly given to the member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, and the proof of the matters aforesaid shall be conclusive evidence of the debt.

- 6.14 Any sum which by the terms of allotment of a share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the share and/or by way of premium or otherwise, shall for all purposes of these Articles be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment, all the relevant provisions of these Articles as to payment of interest and expenses, liabilities of joint holders, forfeiture and the like, shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 6.15 The Board may, if it thinks fit, receive from any member willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any shares held by him, and upon all or any of the monies so advanced the Company may pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such member not less than one month's notice in writing of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. No such sum paid in advance of calls shall entitle the member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

7 Transfer of Shares

- 7.1 While the Trust Deed remains in force:
- (a) Preference Shares may only be transferred as components of Share Stapled Units in accordance with the provisions of clause 9 of the Trust Deed and Articles 7.2 to 7.12; and
 - (b) Ordinary Shares can only be held by the Trustee-Manager upon and subject to the terms and conditions of the Trust Deed and, subject to the Exchange Right, cannot be transferred by the Trustee-Manager.
- 7.2 While the Trust Deed remains in force and if and for so long as the Share Stapled Units are listed on the Exchange, transfers of Share Stapled Units between CCASS Participants shall be effected electronically through CCASS making an appropriate entry in its records in respect of the Share Stapled Units that have been transferred, in accordance with the CCASS Rules and Procedures and the provisions of Articles 7.3 to 7.11 shall not apply to such transfers.
- 7.3 While the Trust Deed remains in force, in respect of Share Stapled Units which are not deposited with CCASS, every Registered Holder of Share Stapled Units shall be entitled to transfer any of the Share Stapled Units held by him (including the Preference Shares which are components of those Share Stapled Units) or, in the case of Joint Registered Holders of Share Stapled Units, by them, as follows:

- (a) a transfer of Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) shall be effected (i) by an instrument of transfer in writing in such form as the Company and the Trustee-Manager may from time to time approve accompanied by the certificate(s) issued in respect of the relevant Share Stapled Units or (ii) in any other manner as the Company and the Trustee-Manager may from time to time approve; and
- (b) every instrument of transfer referred to in Article 7.3(a) relating to Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) must be signed by the transferor and the transferee and the transferor shall be deemed to remain the holder of the Share Stapled Units transferred until the name of the transferee is entered in the Share Stapled Units Register in respect thereof (and shall be deemed to remain the holder of the Preference Shares which are components of those Share Stapled Units until the name of the transferee is entered in the Register of Members in respect thereof). The instrument of transfer need not be a deed. The Company and the Trustee-Manager may also agree, upon request by the transferor or the transferee, to accept mechanically executed transfers. Instruments of transfer executed by machine imprinted signatures of a clearing house shall be acceptable.

7.4 While the Trust Deed remains in force, every instrument of transfer referred to in Article 7.3(b) must be duly stamped (if required by law) and left with the Registrar (or where there is no Registrar, with the Trustee-Manager) for registration accompanied by the certificate(s) issued in respect of the relevant Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) to be transferred and any necessary declarations or other documents that may be required in consequence of any Relevant Acts and Regulations and by such evidence as the Registrar or the Company or the Trustee-Manager may require to prove the title of the transferor or his right to transfer those Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units). The Registrar (or where there is no Registrar, the Trustee-Manager) may dispense with the production of any certificate which shall have become lost, stolen or destroyed upon compliance by the transferor with the like requirements to those arising in the case of an application by him for the replacement thereof.

7.5 While the Trust Deed remains in force, in respect of Share Stapled Units which are not deposited with CCASS, the Company and the Trustee-Manager shall alter or cause to be altered the Share Stapled Units Register (and the Register of Members and the Register of Beneficial Interests) to record the date of each transfer of Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) and the name and address of the transferee.

- 7.6 While the Trust Deed remains in force, each new certificate to be issued upon transfer of Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) will, within 10 Business Days of receipt by the Registrar of the duly completed instrument of transfer and the original certificate and any other documents required under Article 7.4, in accordance with the requirements of this Article 7 and clause 9.7 of the Trust Deed, be made available for collection at the specified office of the Registrar (or where there is no Registrar, at the office of the Trustee-Manager) or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Share Stapled Unit (but free of charge to the holder) to the address specified in the form of transfer.
- 7.7 While the Trust Deed remains in force, where only some of the Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) in respect of which a certificate is issued are to be transferred, a new certificate in respect of the Share Stapled Units (including the Preference Shares which are components of those Share Stapled Units) not so transferred will, within 10 Business Days of deposit or surrender of the original certificate with or to the Registrar (or where there is no Registrar, with or to the Trustee-Manager), be made available for collection at the specified office of the Registrar or, if so requested by the relevant Registered Holder of Share Stapled Units, be mailed by uninsured mail at the risk of the relevant Registered Holder of Share Stapled Units (but free of charge to the Registered Holder of Share Stapled Units) not so transferred to the address of such Registered Holder of Share Stapled Units appearing on the Share Stapled Units Register (which shall be the same as the address of the registered holder of the Preference Shares which are components of those Share Stapled Units, appearing on the Register of Members).
- 7.8 While the Trust Deed remains in force, registration of transfers of Share Stapled Units will be effected without charge by or on behalf of the Company, the Trust, the Trustee-Manager, or the Registrar, but upon payment (or the giving of such indemnity) as the Company, the Trustee-Manager or the Registrar may require in respect of any Tax or other governmental charges which may be imposed in relation to it.
- 7.9 While the Trust Deed remains in force, no Registered Holder of a Share Stapled Unit (including the Preference Share which is a component of the Share Stapled Unit) may require the transfer of a Share Stapled Unit (including the Preference Share which is a component of the Share Stapled Unit) to be registered during any period for which the Register of Members and/or the Register of Beneficial Interests is closed under Article 4.9.
- 7.10 While the Trust Deed remains in force, Preference Shares shall only be transferrable:
- (a) in the form of Share Stapled Units; and
 - (b) in multiples of one Share Stapled Unit.

- 7.11 No transfer shall be registered if the registration thereof would result in the transferor or the transferee being a registered holder of less than one share.
- 7.12 While the Trust Deed remains in force, no transfer or purported transfer of a share other than a transfer made in accordance with this Article 7 and clause 9.7 of the Trust Deed shall entitle the transferee to be registered in respect thereof. No notice of such transfer or purported transfer (other than as aforesaid) shall be entered upon the Register of Members, the Share Stapled Units Register, the Units Register, the Register of Beneficial Interests or any other register.
- 7.13 Subject to Articles 7.1 to 7.12, transfers of shares may be effected by an instrument of transfer in such form as the Board may from time to time approve or in a form prescribed by the Exchange. All instruments of transfer must be left at the registered office of the Company or at such other place as the Board may appoint and all such instruments of transfer shall be retained by the Company.
- 7.14 The Board may, in its absolute discretion, and without assigning any reason, refuse to register a transfer of any share which is not fully paid up or on which the Company has a lien.
- 7.15 If the Board shall refuse to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal.
- 7.16 The Board may also decline to register any transfer of any shares unless:
- (a) if the Trust Deed remains in force, the transfer provisions described in Articles 7.2 to 7.12 and clause 9.7 of the Trust Deed have been complied with; or if the Trust Deed is no longer in force, the instrument of transfer is lodged with the Company accompanied by the certificate for the shares to which it relates (which shall upon registration of the transfer be cancelled) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - (b) the instrument of transfer is properly stamped (in circumstances where stamping is required);
 - (c) in the case of a transfer to joint holders, the number of joint holders to which the share is to be transferred does not exceed four;
 - (d) the shares concerned are free of any lien in favour of the Company; and
 - (e) a fee of such maximum as the Exchange may from time to time determine to be payable (or such lesser sum as the Board may from time to time require) is paid to the Company, the Registrar or the Trustee-Manager in respect thereof.

- 7.17 A Minor shall not be registered as a sole registered holder of shares but may be registered as a joint registered holder of shares provided that each of the other joint registered holders is a person who has attained the age of 18 years. In the event that one of the joint registered holders of shares is a Minor, the Company need only act on the instructions given by the adult joint registered holders and shall not be liable for any claims or demands whatsoever in connection with omitting to act on any instructions given by a Minor.
- 7.18 No transfer shall be made to a person in respect of whom an order has been made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs or under other legal disability.
- 7.19 Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued upon payment by the transferee of such fee not exceeding the maximum amount as the Exchange may from time to time determine to be payable or such lesser sum as the Board may from time to time determine, to the transferee in respect of the shares transferred to him, and if any of the shares included in the certificate so given up shall be retained by the transferor, a new certificate in respect thereof shall be issued to him upon payment by the transferee of such fee not exceeding the maximum amount as the Exchange may from time to time determine to be payable or such lesser sum as the Board may from time to time determine. The Company shall also retain the instrument(s) of transfer. The form of the certificates to be issued shall be determined in accordance with Articles 4.11 to 4.15.
- 7.20 The registration of transfers may, on 14 days' notice being given by announcement published on the Exchange's website, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or by announcement published in the newspapers, be suspended and the Register of Members and/or the Register of Beneficial Interests closed at such times for such periods as the Board may from time to time determine, provided always that such registration shall not be suspended or the Register of Members and/or Register of Beneficial Interests closed for more than 30 days in any year (or such longer period as the members may by ordinary resolution determine provided that such period shall not be extended beyond 60 days in any year). The Company shall, on demand, furnish any person seeking to inspect the Register of Members or the Register of Beneficial Interests or part of either of them which is closed by virtue of these Articles with a certificate under the hand of the Secretary stating the period for which, and by whose authority, it is closed.

8 Transmission of Shares

- 8.1 In the case of the death of a member, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any share solely or jointly held by him. Where the sole survivor is a Minor, the Company shall act only on the requests, applications or instructions of the surviving Minor after he attains the age of 18 years and shall not be liable for any claims or demands whatsoever in connection with omitting to act on any request, application or instruction given by the Minor before he attains such age.
- 8.2 Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a member may, upon such evidence as to his title being produced as may from time to time be required by the Board and subject as hereinafter provided, either be registered himself as holder of the share or elect to have some other person nominated by him registered as the transferee thereof; provided that for as long as the Trust Deed remains in force, the provisions of Articles 3, 4 and 7 must be complied with so that the registered holder of a Preference Share must be the same as the registered holder of the Unit to which the Preference Share is Stapled; and all the issued Ordinary Shares must be registered in the name of the Trustee-Manager.
- 8.3 If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered he shall testify his election by executing in favour of his nominee a transfer of such share. All the limitations, restrictions and provisions of these Articles (including but not limited to Articles 3, 4 and 7) relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy or winding-up of the member had not occurred and the notice or transfer were a transfer executed by such member.
- 8.4 A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 14.8 being met, such a person may vote at meetings.

9 Forfeiture of Shares

- 9.1 If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time during such time as any part thereof remains unpaid, without prejudice to the provisions of Article 6.12, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment. For so long as the Trust Deed continues in force, the Company shall obtain the consent of the Trustee-Manager before serving any such notice.
- 9.2 The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which, and the place where, the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is unpaid will be liable to be forfeited. The Board may accept a surrender of any share liable to be forfeited hereunder and in such case, references in these Articles to forfeiture shall include surrender.
- 9.3 Subject to the prior consent of the Trustee-Manager, if the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share, and not actually paid before the forfeiture.
- 9.4 Any share so forfeited shall be deemed to be the property of the Company, and subject to the applicable provisions of the Trust Deed and Articles 3, 4 and 7, may be re-allotted sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a re-allotment, sale or disposition the forfeiture may be cancelled by the Board on such terms as it thinks fit.
- 9.5 A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares but shall, notwithstanding, remain liable to pay to the Company all monies which, at the date of forfeiture, were payable by him to the Company in respect of the shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until payment at such rate not exceeding 15% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the shares forfeited, at the date of forfeiture. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived, be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

- 9.6 A statutory declaration in writing that the declarant is a Director or Secretary, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any re-allotment, sale or disposition thereof and the Board may authorise any person to execute a letter of re-allotment or transfer the share in favour of the person to whom the share is re-allotted, sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the subscription or purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or other disposal of the share.
- 9.7 When any share shall have been forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register of Members. Notwithstanding the above, no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice as aforesaid.
- 9.8 Notwithstanding any such forfeiture as aforesaid, the Board may at any time, subject to the applicable provisions of the Trust Deed, before any share so forfeited shall have been re-allotted, sold, or otherwise disposed of, permit the share forfeited to be redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
- 9.9 The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
- 9.10 The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

10 **Alteration of Capital**

- 10.1 Subject to the applicable provisions of the Trust Deed, including but not limited to clause 8.2 of the Trust Deed, the Company may from time to time by ordinary resolution:
- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares. On any consolidation of fully paid shares and division into shares of larger amount, the Board may, subject to complying with the provisions of the Trust Deed, settle any difficulty which may arise as it thinks expedient and in particular (but without prejudice to the generality of the foregoing) may as between the holders of shares to be consolidated determine which particular shares are to be consolidated into each consolidated share, and if it shall happen that any person shall become entitled to fractions of a consolidated

share or shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated share or shares rateably in accordance with their rights and interests or may be paid to the Company for the Company's benefit;

- (b) cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled subject to the provisions of the Act; and
- (c) sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association of the Company, subject nevertheless to the provisions of the Act, and so that the resolution whereby any share is sub-divided may determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have any such preferred or other special rights, over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new shares.

10.2 For as long as the Trust Deed remains in force, the Company shall procure that:

- (a) the issued shares shall only be consolidated or sub-divided if the Units are consolidated or sub-divided on the same basis, in accordance with the provisions of clause 8.2 of the Trust Deed; and
- (b) the specifically identified Ordinary Shares held by the Trustee-Manager and Linked to the Units and the specifically identified Preference Shares Stapled to the Units shall each be sub-divided or consolidated (as the case may be) on the same terms, *mutatis mutandis*, as the Units which are being sub-divided or consolidated (as the case may be).

10.3 The Register of Members and the Register of Beneficial Interests shall be altered accordingly to reflect the new numbers of shares held by each member as a result of such sub-division or consolidation.

10.4 The Company may by special resolution reduce its share capital or any capital redemption reserve in any manner authorised and subject to any conditions prescribed by the Act and the applicable provisions of the Trust Deed.

11 **Borrowing Powers**

- 11.1 The Board may from time to time at its discretion exercise all the powers of the Company to raise or borrow or to secure the payment of any sum or sums of money for the purposes of the Company and to mortgage or charge its undertaking, property and assets (present and future) and uncalled capital or any part thereof.
- 11.2 The Board may raise or secure the payment or repayment of such sum or sums in such manner and upon such terms and conditions in all respects as it thinks fit and, in particular, by the issue of debentures, debenture stock, bonds or other securities of the Company, whether outright or as collateral security for any debts, liability or obligations of the Company or of any third party.
- 11.3 Debentures, debenture stock, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.
- 11.4 Any debentures, debenture stock, bonds or other securities may be issued at a discount, premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise.
- 11.5 The Board shall cause a proper register to be kept, in accordance with the provisions of the Act, of all mortgages and charges specifically affecting the property of the Company and shall duly comply with the requirements of the Act in regard to the registration of mortgages and charges therein specified and otherwise.
- 11.6 If the Company issues debentures or debenture stock (whether as part of a series or as individual instruments) not transferable by delivery, the Board shall cause a proper register to be kept of the holders of such debentures.
- 11.7 Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge, and shall not be entitled, by notice to the members or otherwise, to obtain priority over such prior charge.

12 General Meetings

- 12.1 Subject to the Act, an annual general meeting of the Company shall be held in each financial year and such annual general meeting must be held within six (6) months after the end of Company's financial year (unless a longer period would not infringe the Listing Rules, if any).
- 12.2 Each general meeting other than an annual general meeting, shall be called an extraordinary general meeting. All general meetings (including an annual general meeting, any adjourned meeting or postponed meeting) may be held as a physical meeting in any part of the world and at one or more locations as provided in Article 13.5A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.
- 12.3 The Board may, whenever it thinks fit, convene an extraordinary general meeting. General meetings shall also be convened on the written requisition of any one or more member(s) of the Company deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the registered office specifying the objects of the meeting and resolutions shall be added to a meeting agenda and signed by the requisitionists, provided that such requisitionists held as at the date of deposit of the requisition not less than, for as long as the Trust Deed remains in force, one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company. General meetings may also be convened and resolutions shall be added to a meeting agenda on the written requisition of any one member of the Company which is a recognised clearing house (or its nominee(s)) deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the registered office specifying the objects of the meeting and signed by the requisitioner, provided that such requisitioner held as at the date of deposit of the requisition not less than, for as long as the Trust Deed remains in force, one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company. If the Board does not within 21 days from the date of deposit of the requisition proceed duly to convene the meeting to be held with such notice in accordance with Article 12.4, the requisitioner(s) themselves or any of them representing more than one-half of the total voting rights of all of them, may convene a physical meeting at only one location which will be the Principal Meeting Place, as nearly as possible, as that in which meetings may be convened and resolutions shall be added to a meeting agenda by the Board provided that any meeting so convened shall not be held after the expiration of three months from the date of deposit of the requisition, and all reasonable expenses incurred by the requisitioner(s) as a result of the failure of the Board shall be reimbursed to them by the Company.

- 12.4 An annual general meeting and any extraordinary general meeting called for the passing of a special resolution shall be called by not less than 21 days' notice in writing and any other extraordinary general meeting shall be called by not less than 14 days' notice in writing. Subject to the requirements under the Listing Rules, the notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given. The Notice shall specify (a) the time and date of the meeting, (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Board pursuant to Article 13.5A, the principal place of the meeting (the "**Principal Meeting Place**"), (c) if the general meeting is to be a hybrid meeting or an electronic meeting, the Notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) particulars of resolutions to be considered at the meeting. The Notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all members other than to such members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such Notice from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding up of a member and to each of the Directors and the Auditors.
- 12.5 Notwithstanding that a meeting of the Company is called by shorter notice than that referred to in Article 12.4, it shall be deemed to have been duly called if it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the members of the Company entitled to attend and vote thereat or their proxies; and
 - (b) in the case of any other meeting, by a majority in number of the members having a right to attend and vote at the meeting, being a majority together holding not less than 95% in nominal value of the shares giving that right.
- 12.6 There shall appear with reasonable prominence in every notice of general meeting of the Company a statement that a member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of him and that a proxy need not be a member of the Company.
- 12.7 The accidental omission to give any such notice to, or the non-receipt of any such notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.
- 12.8 In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.

- 12.9 The Company and the Trustee-Manager have agreed under the Trust Deed that, to the extent permitted by the Relevant Acts and Regulations:
- (a) no action requiring approval by an ordinary resolution of Registered Holders of Units under the Trust Deed shall be taken unless it is also approved by an ordinary resolution of members; and
 - (b) no action requiring approval by an extraordinary resolution of Registered Holders of Units under the Trust Deed shall be taken unless it is also approved by a special resolution of members.
- 12.10 For as long as the Trust Deed remains in force, the Trust Deed requires that the Trustee-Manager and the Company ensure that:
- (a) a meeting of members is not convened and held unless a meeting of Registered Holders of Units is also convened and held either as a combined meeting with the meeting of Registered Holders of Units or separately but consecutively with (and immediately after) the meeting of Registered Holders of Units; and
 - (b) a meeting of Registered Holders of Units is not convened and held unless a meeting of members is also convened and held.
- 12.11 To the extent permitted under the Relevant Acts and Regulations, meetings of members and meetings of Registered Holders of Units shall be held on a combined basis as a single meeting characterised as a Meeting of Registered Holders of Share Stapled Units.
- 12.12 If that is not possible under the Relevant Acts and Regulations, the meetings convened under Article 12.10 shall be held separately and consecutively, with the meeting of Registered Holders of Units being held immediately prior to the meeting of members. The meeting of Registered Holders of Units is required to be held immediately prior to the meeting of members in order to enable the Registered Holders of Units, by exercising the voting rights conferred by the Units held by them, to give directions to the Trustee-Manager as to how to vote the specifically identified Ordinary Shares held by the Trustee-Manager which are Linked to those Units, in respect of the resolution(s) to be proposed at the meeting of members.
- 12.13 (a) All members have the right to (1) speak at a general meeting; and (2) vote at a general meeting except where a member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.
- (b) A person is able to exercise the right to speak (and shall be presumed to be heard) at a general meeting when the person is in a position to communicate (including, in the case of hybrid meeting, without limiting the generality of the foregoing, communication through facilities that provide for the conveyance of messages in real-time or near real-time via human voice, audio system, text messages, chat

messaging and/or in any other means or functions as permitted by the Board or the Chairman from time to time) to all those attending the meeting, during the meeting, any questions, information or opinions that the person has on the business of the meeting.

13 Proceedings at General Meetings

- 13.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business shall be deemed special that is transacted at an annual general meeting with the exception of the following, which shall be deemed ordinary business:
- (a) the declaration and sanctioning of dividends;
 - (b) the consideration and adoption of the financial statements and statements of financial position and the reports of the Directors and Auditors and other documents required to be annexed to the statement of financial position;
 - (c) the election of Directors whether by rotation or otherwise or in place of those retiring;
 - (d) the appointment of Auditors; and
 - (e) the fixing of, or the determining of the method of fixing of, the remuneration of the Directors and of the Auditors.
- 13.2 For all purposes the quorum for a general meeting shall be (i) two members entitled to vote and present in person (including attendance by electronic means) (or in the case of a corporation, by its duly authorised representative) or by proxy or (ii) for quorum purposes only, two persons appointed by the clearing house as authorized representative or proxy, provided always that if the Company has only one member of record the quorum shall be that one member present in person or by proxy. No business (except the appointment of a Chairman) shall be transacted at any general meeting unless the requisite quorum shall be present at the commencement of the business.
- 13.3 If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) to such time and (where applicable) such place(s) and in such form and manner referred to in Article 12.2 as the chairman of the meeting (or in default, the Board) may absolutely determine. If at such adjourned meeting, a quorum is not present within thirty (30) minutes from appointed for holding the meeting, the meeting shall be dissolved.

- 13.4 The Chairman shall take the chair at every general meeting, or, if there be no such Chairman or, if at any general meeting such Chairman shall not be present within 15 minutes after the time appointed for holding such meeting or is unwilling to act, the Directors present shall choose another Director as Chairman, and if no Director be present, or if all the Directors present decline to take the chair, or if the Chairman chosen shall retire from the chair, then the members present (whether in person or represented by proxy or duly authorised representative) shall choose one of their own number to be Chairman.
- 13.5 Subject to Article 13.5C, the Chairman may, with the consent of any meeting at which a quorum is present (and shall, if so directed by the meeting), adjourn the meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting) as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' Notice of the adjourned meeting shall be given specifying details set out in Article 12.4 but it shall not be necessary to specify in such Notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give Notice of an adjournment.
- 13.5A (a) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations ("**Meeting Location(s)**") determined by the Board at its absolute discretion. Any member or any proxy attending and participating in such way or any member or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- (b) All general meetings are subject to the following and, where appropriate, all references to a "member" or "members" in this sub-paragraph (2) shall include a proxy or proxies respectively and in the case of a member being a corporation, shall include its duly authorised representative:
- (i) where a member is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
 - (ii) members present in person or by proxy at a Meeting Location and/or members attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the

meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that members at all Meeting Locations and members participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;

- (iii) where members attend a meeting by being present at one of the Meeting Locations and/or where members participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting.
- (iv) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

13.5B The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

13.5C If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have been malfunctioned for the purposes referred to in Article 13.5A(1) or are otherwise not able to allow the meeting to be conducted in accordance with the provisions set out in the Notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have been malfunctioned; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

13.5D The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

13.5E If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any

reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 13.5, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the members.

13.5F All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 13.5C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

- 13.5G Without prejudice to other provisions in Article 13.5, a physical meeting may also be held by means of such telephone, electronic or other communication facilities permitting all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.
- 13.6 (a) At any general meeting a resolution put to the vote of the meeting shall be decided on a poll save that (in the case of a physical meeting) the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every member present in person (or being a corporation, is present by a duly authorized representative), or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.
- (b) In the case of a physical meeting, where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (i) by the Chairman; or
 - (ii) by at least three members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
 - (iii) by a member or members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all members having the right to vote at the meeting; or
 - (iv) by a member or members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

- (c) A demand by a person as proxy for a member or in the case of a member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the member.

- 13.7 Where a resolution is voted on by a show of hands, a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. Where a resolution is voted on by a poll, the result of the poll shall be deemed to be the resolution of the meeting. A poll shall (subject as provided in Article 13.8) be taken in such manner (including the use of ballot or voting papers or tickets) and at such time and place, not being more than 30 days from the date of the meeting or adjourned meeting at which the poll was taken as the Chairman directs. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was taken. The Chairman shall appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll. A poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 13.8 Any poll on the election of a Chairman of a meeting, on any question of adjournment, or on a show of hands shall be taken at the meeting and without adjournment.
- 13.9 In the case of an equality of votes, the Chairman of the meeting at which the poll is taken shall be entitled to a second or casting vote.
- 13.10 A resolution in writing (in one or more counterparts), including a special resolution, signed by all members for the time being entitled to receive notice of and to attend and vote at general meetings (or being corporations by their duly appointed representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last member to sign.
- 13.11 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose and any such minute as aforesaid if purporting to be signed by the Chairman of the meeting shall be conclusive evidence of the matters therein stated. Until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly convened and held and all resolutions passed thereat to have been duly passed.

14 Votes of Members

14.1 Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of shares, at any general meeting, shares in the Company shall carry votes as follows:

(i) Ordinary Shares: one vote per Ordinary share for every registered holder of Ordinary Shares present in person (or, in the case of a member being a corporation, by its duly authorised representative) or by proxy.

(ii) Preference Shares: one vote per Preference Share for every registered holder of Preference Shares present in person (or, in the case of a member being a corporation, by its duly authorised representative) or by proxy.

14.2 For as long as the Trust Deed remains in force, in relation to a Meeting of Registered Holders of Share Stapled Units, to the extent practicable a single resolution shall be proposed to approve the matter to be considered by the Registered Holders of Units and the members, which resolution shall be characterised as a resolution of the Registered Holders of Share Stapled Units and shall serve as both a resolution of Registered Holders of Units and a resolution of members.

14.3 For as long as the Trust Deed remains in force, in relation to meetings of Registered Holders of Units and members to be held separately but consecutively in accordance with Article 12.12, to the extent practicable, the same or a substantially similar resolution (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently) shall be proposed for consideration at each meeting

14.4 For as long as the Trust Deed remains in force, in relation to both Meetings of Registered Holders of Share Stapled Units and meetings of Registered Holders of Units and members to be held separately but consecutively in accordance with Article 12.12:

- (a) in respect of each individual Share Stapled Unit, the voting rights conferred by a Unit and the specifically identified Preference Share which is Stapled to it, which are components of the relevant Share Stapled Unit, can only be exercised in the same way (either for or against) in respect of (as the case may be) (i) a single resolution of Registered Holders of Units and members proposed at a Meeting of Registered Holders of Share Stapled Units or (ii) a resolution of Registered Holders of Units and a resolution of members dealing with the same, or substantially the same, matter proposed at separate but consecutive meetings of Registered Holders of Units and members referred to in Article 12.12 (and shall not be exercised in favour of one resolution but against the other); and

- (b) a Registered Holder of a Share Stapled Unit shall cast a single vote in respect of that Share Stapled Unit, either for or against the relevant resolution(s), which shall serve as a vote in respect of both the Unit and the Preference Share constituting that Share Stapled Unit, either for or against (as the case may be) in respect of (as the case may be) (1) a single resolution of Registered Holders of Share Stapled Units proposed at a Meeting of Registered Holders of Share Stapled Units, or (2) a resolution of Registered Holders of Units and a resolution of members which deal with the same, or substantially the same, matter proposed at meetings of Registered Holders of Units and members held separately but consecutively in accordance with Article 12.12.

14.5 For as long as the Trust Deed remains in force, the Trustee-Manager is required by the Trust Deed to exercise the voting rights conferred by the Ordinary Shares held by it in respect of a resolution proposed at a Meeting of Registered Holders of Share Stapled Units in the same way (either for or against the relevant resolution) as the votes conferred by the Units to which those Ordinary Shares are Linked are or have been exercised in respect of the same resolution

14.6 In relation to any resolution to be proposed at a meeting of members to be held consecutively with a meeting of Registered Holders of Units in accordance with Article 12.12, a corresponding resolution shall either first be proposed at the meeting of Registered Holders of Units convened under Article 12.12. This is to enable Registered Holders of Units, by exercising the voting rights conferred by the Units held by them, to give directions to the Trustee-Manager as to how to vote the specifically identified Ordinary Shares held by the Trustee-Manager which are Linked to those Units, in respect of the resolution(s) to be proposed at the meeting of members.

14.7 The Trust Deed requires that, subject to Article 14.5, the Trustee-Manager shall only exercise the voting rights conferred by the Ordinary Shares held by it in respect of a resolution proposed at a meeting of members:

- (a) if a meeting of Registered Holders of Units is or has been convened and held to consider the same, or substantially the same, matter (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently) or to determine how the Trustee-Manager should exercise the voting rights conferred by the Ordinary Shares at the meeting of members; and
- (b) in the same way (either for or against the relevant resolution) as the votes conferred by the Units to which those Ordinary Shares are Linked are or have been exercised in respect of the resolution of Registered Holders of Units referred to in Article 14.7(a).

- 14.8 In respect of a resolution of members to be proposed at a Meeting of Registered Holders of Share Stapled Units, the Trustee-Manager shall not exercise the voting rights conferred by the Ordinary Shares held by it which are Linked to Units in respect of which no voting rights are or have been exercised at the relevant Meeting of Registered Holders of Share Stapled Units.
- 14.9 Similarly, in respect of a resolution of members to be proposed at a separate but consecutive meeting of members held in accordance with Article 12.12, the Trustee-Manager shall not exercise the voting rights conferred by the Ordinary Shares held by it which are Linked to Units in respect of which no voting rights have been exercised at a meeting of Registered Holders of Units convened under Article 14.7 to consider the same or substantially the same matter or to determine how the Trustee-Manager should exercise the voting rights conferred by the Ordinary Shares.
- 14.10 A Registered Holder of Share Stapled Units holding more than one Share Stapled Unit (and, therefore, holding more than one Preference Share and having the right to direct the Trustee-Manager how to vote in respect of more than one Ordinary Share) may vote some of the Share Stapled Units (and, therefore, vote the Preference Shares Stapled to those Share Stapled Units and direct the Trustee-Manager how to vote in respect of the Ordinary Shares Linked to those Share Stapled Units) registered in his name in favour of a resolution proposed at a Meeting of Registered Holders of Share Stapled Units and some of them against the relevant resolution provided that the provisions of Article 14.4 are complied with in respect of each individual Share Stapled Unit registered in his name. Similarly, a Registered Holder of Share Stapled Units holding more than one Share Stapled Unit may vote some of the Share Stapled Units registered in his name in favour of both resolutions dealing with the same, or substantially the same, matter proposed at separate meetings of Registered Holders of Units and members held consecutively under Article 12.12 and some of them against both those resolutions, provided that the provisions of Article 14.4 are complied with in respect of each individual Share Stapled Unit registered in his name (and, therefore, the Preference Share Stapled to the relevant Share Stapled Unit and the Ordinary Share Linked to the relevant Share Stapled Unit).
- 14.11 Subject to the foregoing provisions of this Article 14, a member entitled to more than one vote is under no obligation to cast all his votes in the same way. For the avoidance of doubt, where more than one proxy is appointed by a recognised clearing house (or its nominee(s)), each such proxy is, subject to the foregoing provisions of this Article 14, under no obligation to cast all his votes in the same way.
- 14.12 On a poll every member who is present in person, by corporate representative or by proxy shall have one vote for every share of which he is the holder registered in the Register of Members provided such shares are fully paid up. Votes cast by a member in contravention of the applicable provisions of the Listing Rules shall not be counted.

- 14.13 Where any member is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such member (the "Abstaining Member") in contravention of such requirement or restriction shall not be counted. For the avoidance of doubt, where any Preference Share(s) held by an Abstaining Member is/are not entitled to vote under the Listing Rules, the Trustee-Manager shall abstain from exercising any voting right in respect of the relevant specifically identified Ordinary Share(s) held by the Trustee-Manager for and on behalf of such Abstaining Member.
- 14.14 Any person entitled under Article 8.2 to be registered as a member may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting or postponed meeting (as the case may be) at which he proposes to vote, he shall satisfy the Board of his right to be registered as the holder of such shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
- 14.15 Where there are joint registered holders of any share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto; but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present being the most or, as the case may be, the more senior shall alone be entitled to vote in respect of the relevant joint holding and, for this purpose, seniority shall be determined by reference to the order in which the names of the joint holders stand on the Register of Members in respect of the relevant joint holding. Several executors or administrators of a deceased member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
- 14.16 A member in respect of whom an order has been made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs may vote by any person authorised in such circumstances to do so, and such person may vote by proxy.
- 14.17 Save as expressly provided in these Articles or as otherwise determined by the Board, no person other than a member duly registered and who shall have paid all sums for the time being due from him payable to the Company in respect of his shares shall be entitled to be present or to vote (save as proxy for another member), or to be reckoned in a quorum, either personally or by proxy at any general meeting.
- 14.18 No objection shall be raised as to the qualification of any person exercising or purporting to exercise any vote or to the admissibility of any vote except at the meeting or adjourned meeting or postponed meeting at which the person exercising or purporting to exercise his vote or the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. In the case of any dispute as to the

admission or rejection of any vote, the Chairman of the meeting shall determine the same and such determination shall be final and conclusive.

- 14.19 Any member of the Company entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person (who must be an individual) as his proxy to attend and vote instead of him and a proxy so appointed shall have the same right as the member to speak at the meeting. Votes may be given either personally or by proxy. A proxy need not be a member of the Company. A member may appoint any number of proxies to attend in his stead at any one general meeting (or at any one class meeting).
- 14.20 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney authorised in writing, or if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person duly authorised to sign the same. The Board shall have the right to reject an instrument appointing a proxy which has not been properly completed. In determining the rights to vote and other matters in respect of a completed instrument of proxy submitted to it, the Board shall have regard to any instructions and/or notes set out in the instrument of proxy.
- 14.21 (a) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
- (b) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority, (if any) under which it is signed, or a notarially certified copy of such power or authority, shall be delivered at the registered

office of the Company (or at such other place as may be specified in the notice convening the meeting or in any notice of any adjournment or, in either case, in any document sent therewith) not less than 48 hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote, or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting or postponed meeting, not less than 48 hours before the time appointed for the taking of the poll, and in default the instrument of proxy shall not be treated as valid provided always that the Chairman of the meeting may at his discretion direct that an instrument of proxy shall be deemed to have been duly deposited upon receipt of facsimile confirmation from the appointor that the instrument of proxy duly signed is in the course of transmission to the Company. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date named in it as the date of its execution. Delivery of any instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

- 14.22 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form that complies with the Listing Rules as the Board may from time to time approve, provided that it shall enable a member, according to his intention, to instruct his proxy to vote in favour of or against (or in default of instructions or in the event of conflicting instructions, to exercise his discretion in respect of) each resolution to be proposed at the meeting to which the form of proxy relates.
- 14.23 The instrument appointing a proxy to vote at a general meeting shall: (a) be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit; and (b) unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates, provided that the meeting was originally held within 12 months from such date.
- 14.24 A vote given in accordance with the terms of an instrument of proxy or resolution of a member shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy or resolution of a member was executed or revocation of the relevant resolution or the transfer of the share in respect of which the proxy was given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its registered office, or at such other place as is referred to in Article 14.21, at least two hours before the commencement of the meeting or adjourned meeting or postponed meeting at which the proxy is used.
- 14.25 Any corporation which is a member of the Company may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of members of any class of shares of the Company and the person so authorised shall be entitled to exercise the same

powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Company and where a corporation is so represented, it shall be treated as being present at any meeting in person.

- 14.26 If a recognised clearing house (or its nominee(s)) is a member of the Company it may authorise such person or persons as it thinks fit to act as its proxy(ies) (who need not be a member of the Company) or corporate representative(s) at any meeting of the Company or at any meeting of any class of members of the Company provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such person is so authorised. The person so authorised will be deemed to have been duly authorised without the need of producing any documents of title, notarised authorisation and/or further evidence for substantiating the facts that it is duly authorised. A person so authorised pursuant to this provision shall be entitled to exercise the same rights and powers on behalf of the recognised clearing house (or its nominee(s)) which he represents as that recognised clearing house (or its nominee(s)) could exercise as if such person were an individual member of the Company holding the number and class of shares specified in such authorisation, including, where a show of hands is allowed, the right to vote individually on a show of hands, notwithstanding any contrary provision contained in these Articles.
- 14.27 To the extent permitted by the Relevant Acts and Regulations, in the case of a Meeting of Registered Holders of Share Stapled Units, the form of proxy to be provided to Registered Holders of Share Stapled Units, and the form of voting paper, will, in each case, be a single, composite, form. Unless otherwise expressly stated in the form of proxy or the form of voting paper provided for use in respect of the Meeting of Registered Holders of Share Stapled Units, the effect of completing a form of proxy or voting paper (as the case may be) indicating a vote either for or against a resolution characterised in the form of proxy or voting paper as a resolution of Registered Holders of Share Stapled Units to be proposed at a Meeting of Registered Holders of Share Stapled Units shall be that the vote given in respect of the Share Stapled Units in question shall constitute:
- (a) a vote of the Units included in the Share Stapled Units, in respect of any required resolution of Registered Holders of Units;
 - (b) a vote of the Preference Shares Stapled to those Units in respect of any required resolution of members; and
 - (c) an instruction to the Trustee-Manager to vote the number of Ordinary Shares Linked to the relevant Units in the same way (either for or against) the relevant resolution in respect of any required resolution of members.
- 14.28 To the extent permitted by Relevant Acts and Regulations, in the case of meetings of Registered Holders of Units and members held separately but consecutively under

Article 12.12 to consider the same, or substantially the same, resolution (with any modifications which are necessary or desirable to reflect the manner in which the matter being considered affects the Trust or the Company differently), the form of proxy and the form of voting paper provided for use in respect of the meeting of Registered Holders of Units shall, unless expressly stated otherwise in the relevant form, have the effect that the vote given in respect of Units either for or against a resolution shall also constitute an instruction to the Trustee-Manager to vote the same number of Ordinary Shares which are Linked to the Units in the same way (either for or against) in respect of the resolution dealing with the same, or substantially the same, matter at the separate but consecutive meeting of members.

14.29 The forms of proxy and voting paper provided for use in respect of the meetings referred to in Articles 14.27 and 14.28 shall contain prominent statements detailing the effect of completing the relevant form indicating a vote either for or against the relevant resolution(s).

14.30 To the extent permitted by Relevant Acts and Regulations, a Meeting of Registered Holders of Share Stapled Units convened in accordance with the provisions of the Trust Deed and these Articles shall constitute:

(a) a meeting of the Registered Holders of Units; and

(b) a meeting of members.

14.31 A special resolution or an ordinary resolution, as the case may be, shall be binding on all members whether or not present at the relevant meeting and each of the members and the Board shall be bound to give effect thereto accordingly.

15 **Registered Office**

The registered office of the Company shall be at such place in the Cayman Islands as the Board shall from time to time appoint.

16 **Board of Directors**

16.1 The number of Directors shall not be less than two.

- 16.2 While the Trust Deed remains in force:
- (a) the Board shall at all times comprise the same individuals who serve as directors of the Trustee-Manager; and
 - (b) no person shall serve as a director of the Company unless he also serves as a director of the Trustee-Manager at the same time.
- 16.3 The Board shall have power from time to time and at any time, subject to the provisions of Article 16.2, to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director appointed to fill a casual vacancy or as an addition to the Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election at that meeting, subject to compliance with Article 16.2 (if applicable).
- 16.4 Subject to compliance with Article 16.2 (if applicable), the Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall not be less than two. Subject to the provisions of these Articles (including but not limited to Article 16.2, if applicable) and the Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy or as an addition to the existing Directors. Any Director so appointed shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.
- 16.5 No person shall, unless recommended by the Board, be eligible for election to the office of Director at any general meeting unless there shall have been lodged with the principal office of the Company in Hong Kong notice in writing signed by two members of the Company (neither being the person to be proposed) together representing not less than one-tenth of the total voting rights of all the members duly qualified to attend and vote at the meeting for which such notice is given of their intention to propose that person for election as a Director and also notice in writing signed by that person of his willingness to be elected as a Director. Unless otherwise determined by the Board and notified by the Company to the members, the period for lodgment of the said notice shall be at least 7 days, commencing no earlier than the day after the despatch of the notice of the meeting appointed for such election and ending no later than 7 days prior to the date of such meeting for such election of Director.
- 16.6 While the Trust Deed remains in force, no person shall be eligible for appointment or election to the office of Director unless such person is also appointed or elected, or serves, as a director of the Trustee-Manager.
- 16.7 The Company shall keep at its office a register of directors and officers containing their names and addresses and occupations and any other particulars required by the Act and shall send to the Registrar of Companies of the Cayman Islands a copy of such register

and shall from time to time notify to the Registrar of Companies of the Cayman Islands any change that takes place in relation to such Directors as required by the Act.

- 16.8 The members may at any general meeting convened and held in accordance with these Articles by ordinary resolution at any time remove any Director (including a Managing Director or other executive Director) before the expiration of his period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director and, subject to compliance with Article 16.2 (if applicable), may by ordinary resolution elect another person in his stead. Any person so elected shall hold office during such time only as the Director in whose place he is elected would have held the same if he had not been removed. Nothing in this Article should be taken as depriving a Director removed under any provisions of this Article of compensation or damages payable to him in respect of the termination of his appointment as Director or of any other appointment or office as a result of the termination of his appointment as Director or as derogatory from any power to remove a Director which may exist apart from the provision of this Article.
- 16.9 A Director may at any time by notice in writing delivered to the registered office of the Company or at a meeting of the Board, appoint any person (including another Director) to be his alternate Director in his place during his absence and may in like manner at any time determine such appointment. Such appointment, unless previously approved by the Board, shall have effect only upon and subject to being so approved, provided that the Board may not withhold approval of any such appointment where the proposed appointee is a Director. While the Trust Deed continues in force, any person appointed by a Director to be his alternate Director must also be appointed as the alternate of the Director in his capacity as director of the Trustee-Manager and no other person may be appointed as his alternate director in respect of the Trustee-Manager. No director (or director of the Trustee-Manager) may have more than one alternate director appointed in respect of him at any particular time.
- 16.10 The appointment of an alternate Director shall determine on the happening of any event which, were he a Director, would cause him to vacate such office or if his appointor ceases to be a Director. In addition, if the alternate ceases to be the alternate of the Director in his or her capacity as a director of the Trustee-Manager, the alternate shall also *ipso facto* and immediately cease to be an alternate Director of the Company for the relevant Director.

- 16.11 An alternate Director shall (except when absent from Hong Kong), be entitled to receive and waive (in lieu of his appointor) notices of meetings of the Directors and shall be entitled to attend and vote as a Director and be counted in the quorum at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all the functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative and he need not use all his votes or cast all the votes he uses in the same way. If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act (as to which a certificate by the alternate shall in the absence of actual notice to the contrary to other Directors be conclusive), his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Board may from time to time determine in relation to any committee of the Board, the provisions of this Article shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid, have power to act as a Director nor shall he be deemed to be a Director for the purposes of these Articles.
- 16.12 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director, but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.
- 16.13 A Director need not hold any qualification shares.
- 16.14 No Director shall be required to vacate office or be ineligible for re-election or re-appointment as a Director and no person shall be ineligible for appointment as a Director by reason only of his having attained any particular age.
- 16.15 Payment to any Director or past Director of any sum by way of compensation for loss of office or as consideration for or in connection with his retirement from office (not being a payment to which the Director is contractually entitled) must first be approved by the Company in general meeting.

- 16.16 The Directors shall be entitled to receive by way of remuneration for their services such sum as shall from time to time be determined by the Company in general meeting or by the Board, as the case may be, such sum (unless otherwise directed by the resolution by which it is determined) to be divided amongst the Directors in such proportions and in such manner as they may agree, or failing agreement, equally, except that in such event any Director holding office for less than the whole of the relevant period in respect of which the remuneration is paid shall only rank in such division in proportion to the time during such period for which he has held office. Such remuneration shall be in addition to any other remuneration to which a Director who holds any salaried employment or office in the Company may be entitled by reason of such employment or office.
- 16.17 The Directors shall be entitled to be paid all expenses, including travel expenses, reasonably incurred by them in or in connection with the performance of their duties as Directors including their expenses of travelling to and from Board meetings, committee meetings or general meetings or otherwise incurred whilst engaged on the business of the Company or in the discharge of their duties as Directors.
- 16.18 The Board may grant special remuneration to any Director, who shall perform any special or extra services at the request of the Company. Such special remuneration may be made payable to such Director in addition to or in substitution for his ordinary remuneration as a Director, and may be made payable by way of salary, commission or participation in profits or otherwise as may be agreed.
- 16.19 Notwithstanding Articles 16.16 and 16.17, the remuneration of a President, Vice-President, Managing Director, Joint Managing Director, Deputy Managing Director or other Executive Director (as appointed according to Article 17.1) or a Director appointed to any other office in the management of the Company shall from time to time be fixed by the Board and may be by way of salary, commission, or participation in profits or otherwise or by all or any of those modes and with such other benefits (including share option and/or pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time decide. Such remuneration shall be in addition to such remuneration as the recipient may be entitled to receive as a Director.
- 16.20 The office of a Director shall be vacated:
- (a) if he resigns his office by notice in writing to the Company at its registered office or its principal office in Hong Kong;
 - (b) if an order is made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs and the Board resolves that his office be vacated;

- (c) if, without leave, he is absent from meetings of the Board (unless an alternate Director appointed by him attends in his place) for a continuous period of 12 months, and the Board resolves that his office be vacated;
- (d) if he becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors generally;
- (e) if he ceases to be or is prohibited from being a Director by law or by virtue of any provisions in these Articles;
- (f) if he ceases to be a director of the Trustee-Manager;
- (g) if he shall be removed from office by notice in writing served upon him signed by not less than three-fourths in number (or, if that is not a round number, the nearest lower round number) of the Directors (including himself) then in office; or
- (h) if he shall be removed from office by an ordinary resolution of the members of the Company under Article 16.8.

16.21 At each annual general meeting of the Company one-third of the Directors for the time being (including Directors appointed for a specific term, and Directors who may be required to retire at the same annual general meeting under other provisions of these Articles), or if their number is not three or a multiple of three, then the number nearest to but no less than one-third, shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of Directors to retire by rotation) any Director who wishes to retire and not offer himself for re-election. Any further Directors so to retire shall be those of the other Directors who have been longest in office since their appointment or last election but as between persons who became Directors on the same day those to retire shall (unless they otherwise agree between themselves) be determined by lot. The number of Directors to retire on each occasion shall be determined by reference to the composition of the Board at the date of the notice convening the relevant annual general meeting and no Director shall be required to retire by rotation pursuant to this Article or be relieved from retiring by reason of a change in the number of Directors after the date of such notice but before the close of the relevant annual general meeting. A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which the Director retires.

- 16.22 No Director or proposed Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company with any person, company or partnership of or in which any Director shall be a member or otherwise interested be capable on that account of being avoided, nor shall any Director so contracting or being any member or so interested be liable to account to the Company for any profit so realised by any such contract or arrangement by reason only of such Director holding that office or the fiduciary relationship thereby established, provided that such Director shall, if his interest in such contract or arrangement is material, declare the nature of his interest at the earliest meeting of the Board at which it is practicable for him to do so, either specifically or by way of a general notice stating that, by reason of the facts specified in the notice, he is to be regarded as interested in any contracts of a specified description which may subsequently be made by the Company.

The Directors may exercise the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, joint managing directors, deputy managing directors, executive directors, managers or other officers of such company) and any Director may vote in favour of the exercise of such voting rights in manner aforesaid notwithstanding that he may be, or is about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in the manner aforesaid.
- 16.24 A Director may hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profit or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Article.

- (b) determining the members entitled to receive notice of and to vote at any general meeting of the Company.

23 **Capitalisation of Reserves**

23.1 The Company in general meeting may upon the recommendation of the Board by ordinary resolution resolve that it is desirable to capitalise all or any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or funds or to the credit of the profit and loss account or otherwise available for distribution (and not required for the payment or provision of dividend on any shares with a preferential right to dividend) and accordingly that such sums be set free for distribution amongst the members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such members respectively or paying up in full unissued shares, debentures or other securities of the Company to be allotted and distributed credited as fully paid up to and amongst such members in proportion aforesaid or partly in one way and partly in the other, and the Board shall give effect to such resolution. Any capitalisation, distribution or payment under this Article 23.1 shall be subject to, and shall only be made in compliance with the Companies Act. For as long as the Trust Deed remains in force, any capitalisation, distribution or payment under this Article 23.1 shall be subject to, and shall only be made in compliance with the provisions of the Trust Deed and Article 3.

23.2 Wherever such a resolution as referred to in Article 23.1 shall have been passed the Board shall, subject, if the Trust Deed remains in force, to compliance with the provisions of the Trust Deed and Article 3, make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid up shares, debentures or other securities, if any, and generally shall do all acts and things required to give effect thereto, with full power to the Board:

- (a) to make such provision by the issue of fractional certificates or by payment in cash or otherwise (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned) as they think fit in cases where shares, debentures or other securities become distributable in fractions;
- (b) to exclude the right of participation or entitlement of any member with a registered address outside any territory where in the absence of a registration statement or other special or onerous formalities the circulation of an offer of such right or entitlement would or might be unlawful or where the Board consider the costs, expense or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or the acceptance of such offer out of proportion to the benefits of the Company; and
- (c) to authorise any person to enter on behalf of all members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares, debentures or other securities to which they may be entitled upon such capitalisation, or, as the case may require, for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such members.

23.3 Subject, if the Trust Deed remains in effect, to compliance with the provisions of the Trust Deed and Article 3, the Board may, in relation to any capitalisation sanctioned under Article 23.1 in its absolute discretion specify that, and in such circumstances and if directed so to do by a member or members entitled to an allotment and distribution credited as fully paid up of unissued shares or debentures in the Company pursuant to such capitalisation, the unissued shares, debentures or other securities to which that member is entitled shall be allotted and distributed credited as fully paid up to such person or persons as that member may nominate by notice in writing to the Company, such notice to be received not later than the day for which the general meeting of the Company to sanction the capitalisation is convened.

24 Dividends and Reserves

- 24.1 Subject to the Act and these Articles, the Company in general meeting may declare dividends in any currency but no dividends shall exceed the amount recommended by the Board.
- 24.2 Dividends shall only be payable in respect of the Ordinary Shares. The Preference Shares confer no rights to or in respect of dividends.
- 24.3 The Board may from time to time pay to the holders of Ordinary Shares such interim dividends as appear to the Board to be justified.
- 24.4 The Board may also pay half-yearly or at other intervals to be selected by it any dividend which may be payable at a fixed rate.
- 24.5 The Board may in addition from time to time declare and pay special dividends on the Ordinary Shares of such amounts and on such dates as the Board thinks fit.
- 24.6 No dividend shall carry interest against the Company.
- 24.7 As reflected in a resolution of the Board passed on the date of adoption of these Articles, it is the current intention, as at the date of adoption of these Articles, of the Board to declare and distribute (i) 100% of the Group Distributable Income in respect of the period from the Listing Date to 31 December 2013 and each financial year ending 31 December 2014 and 2015, and (ii) not less than 90% of the Group Distributable Income in respect of each financial year thereafter, to the Trustee-Manager to fund distributions in respect of the Units to be made by the Trustee-Manager. It is currently, as at the date of adoption of these Articles, the intention of the Board that the Company will declare and make distributions to the Trustee-Manager on a semi-annual basis (save that only one distribution will be made in respect of the period from the Listing Date to 31 December 2013), with the interim and final distributions in respect of a full financial year being equal, in aggregate, to 100% or not less than 90% (as the case may be) of the Group Distributable Income in respect of that financial year. The respective proportions of the aggregate annual distribution to be paid as an interim distribution and a final distribution shall be determined by the Board in its discretion; and the amount of the interim distribution need not be proportionate to the Group Distributable Income in respect of the first six months of the relevant financial year (or other period in respect of which the distribution is made) or proportionate to the Group Distributable Income in respect of the relevant financial year. In addition, if the Group sells any fixed assets or properties, the Directors may, at their discretion, retain all or any part of the proceeds (including any realised gains) from such sale (less associated taxes and expenses and associated debt repayments), including any amounts retained for the purpose of servicing future debt repayments and/or for the purpose of complying with covenants in any credit facility agreement (such amounts retained for debt repayment and covenant

compliance being "Excluded Amounts"), for up to three years following such sale and may utilise the retained proceeds (other than the Excluded Amounts) for the acquisition of other fixed assets or properties, FF&E Reserve and/or capital expenditure. To the extent that all or any part of the retained proceeds (other than the Excluded Amounts) are not utilised for the purposes described above within three years following such sale, the Company shall distribute such retained proceeds (other than the Excluded Amounts) to the Trustee-Manager.

- 24.8 The statement in Article 24.7 of the Board's current intention, as at the date of adoption of these Articles, to declare and distribute 100% or not less than 90% (as the case may be) of the Group Distributable Income in respect of each financial year, to the Trustee-Manager to fund distributions in respect of the Units is a distribution policy only and a statement of the Board's current intention, as at the date of adoption of these Articles, only. It is not a legally binding obligation of the Company and is subject to change (and, for the avoidance of doubt, any such change to the distribution policy would not constitute or require an alteration or amendment of the Articles; but, for as long as the Trust Deed remains in force, would need to be notified to the Stock Exchange and announced under clause 14.3 of the Trust Deed). Nor is it guaranteed by any person. The form, frequency and amount of future distributions (if any) in respect of Share Stapled Units will depend on the earnings, financial position and results of operations of the Group, as well as contractual restrictions (including compliance with financial undertakings imposed under the Group's loan facilities agreements), provisions of applicable laws and regulations and other factors including but not limited to funding requirements with reference to the prevailing business environment and operations, and expansion plans, other capital management considerations, the overall stability of distributions and prevailing industry practice.
- 24.9 Subject to Article 24.14, whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on the share capital of the Company, the Board may further resolve:

EITHER

- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the holders of Ordinary Shares entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;

- (ii) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the holders of Ordinary Shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
- (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (the "**non-elected shares**") and in satisfaction thereof shares shall be allotted credited as fully paid to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit or loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis;

OR

- (b) that holders of Ordinary Shares entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
- (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised (the "**elected shares**") and in lieu thereof shares shall be allotted credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit and loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

24.10 Subject to Article 24.14, the shares allotted pursuant to the provisions of Article 24.9 shall rank pari passu in all respects with the shares of the same class then held by the respective allottees save only as regards participation:

- (a) in the relevant dividend (or share or cash election in lieu thereof as aforesaid); or
- (b) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend, unless contemporaneously with the announcement by the Board of its proposal to apply the provisions of Article 24.9(a) or 24.9(b) in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of Article 24.9 shall rank for participation in such distributions, bonuses or rights.

24.11 Subject to Article 24.14, the Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of Article 24.9 with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- 24.12 Subject to Article 24.14, the Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of Article 24.9 a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to holders of Ordinary Shares to elect to receive such dividend in cash in lieu of such allotment.
- 24.13 Subject to Article 24.14, the Board may on any occasion determine that rights of election and the allotment of shares under Article 24.9 shall not be made available or made to any members with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, or where the Board considers the costs, expenses or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or the acceptance of such offer out of proportion to the benefit of the Company, and in any such case the provisions aforesaid shall be read and construed subject to such determination.
- 24.14 For as long as the Trust Deed remains in force, Articles 24.9 to 24.13 are subject to, and the matters contemplated thereby may only be effected to the extent that they are in compliance with, the provisions of the Trust Deed and Article 3.
- 24.15 The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in any manner permitted by the Companies Act. The Company shall at all times comply with the provisions of the Companies Act in relation to the share premium account.
- 24.16 The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including shares, warrants and other securities of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.

- 24.17 Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid. For the purpose of this Article no amount paid up on a share in advance of calls shall be treated as paid up on the share.
- 24.18 The Board may retain any dividends or other monies payable on or in respect of a share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- 24.19 The Board may retain any dividends or other monies payable upon shares in respect of which any person is, under the provisions as to the transmission of shares hereinbefore contained, entitled to become a member, or in respect of which any person is under those provisions entitled to transfer, until such person shall become a member in respect of such shares or shall transfer the same.
- 24.20 The Board may deduct from any dividend or other monies payable to any member all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.
- 24.21 Any general meeting sanctioning a dividend may, subject to the applicable provisions of these Articles relating to calls, make a call on the members of such amount as the meeting resolves, but so that the call on each member shall not exceed the dividend payable to him, and so that the call be made payable at the same time as the dividend, and the dividend may, if so arranged between the Company and the member, be set off against the call.
- 24.22 The Board, with the sanction of an ordinary resolution of the members in general meeting, may direct that any dividend be satisfied wholly or in part by the distribution of specific assets of any kind to the holders of Ordinary Shares and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements, round the same up or down or provide that the same shall accrue to the benefit of the Company, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any holders of Ordinary Shares upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where required, a contract shall be filed in accordance with the provisions of the Act and the Board may appoint any person to sign such

contract on behalf of the persons entitled to the dividend and such appointment shall be effective.

- 24.23 A transfer of shares shall not pass therewith the right to any dividend or bonus the record date (specified in accordance with Article 24.24) for which falls before the registration of the transfer.
- 24.24 Any resolution declaring or resolving upon the payment of a dividend or other distribution on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or made to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares.
- 24.25 If two or more persons are registered as joint holders of any shares, any one of such persons may give effectual receipts for any dividends, interim and special dividends or bonuses and other monies payable or rights or property distributable in respect of such shares.
- 24.26 Unless otherwise directed by the Board, any dividend, interest or other sum payable in cash to a holder of shares may be paid by cheque or warrant sent through the post to the registered address of the member entitled, or, in case of joint holders, to the registered address of the person whose name stands first in the register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque or warrant so sent shall be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the register in respect of such shares and shall be sent at his or their risk, and the payment of any such cheque or warrant by the bank on which it is drawn shall operate as a good discharge to the Company in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.
- 24.27 The Company may cease sending such cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise its power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- 24.28 All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the exclusive benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof or be required to account for any money earned thereon. All dividends or bonuses unclaimed

for six years after having been declared may be forfeited by the Board and shall revert to the Company and after such forfeiture no member or other person shall have any right to or claim in respect of such dividends or bonuses.

25 **Untraceable Members**

25.1 Subject to Article 25.3, the Company shall be entitled to sell any shares of a member or the shares to which a person is entitled by virtue of transmission on death or bankruptcy or operation of law if and provided that:

- (a) all cheques or warrants, not being less than three in number, for any sums payable in cash to the holder of such shares have remained uncashed for a period of 12 years;
- (b) the Company has not during that time or before the expiry of the three month period referred to in Article 25.1(d) below received any indication of the whereabouts or existence of the member or person entitled to such shares by death, bankruptcy or operation of law;
- (c) during the 12-year period, at least three dividends in respect of the shares in question have become payable and no dividend during that period has been claimed by the member; and
- (d) upon expiry of the 12-year period, the Company has caused an announcement to be published in the newspapers, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided, giving notice of its intention to sell such shares, and a period of three months has elapsed since such announcement and the Exchange has been notified of such intention.

The net proceeds of any such sale shall belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former member for an amount equal to such net proceeds.

25.2 To give effect to any sale contemplated by Article 25.1 the Company may appoint any person to execute as transferor an instrument of transfer of the said shares and such other documents as are necessary to effect the transfer, and such documents shall be as effective as if they had been executed by the registered holder of or person entitled by transmission to such shares and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto. The net proceeds of sale shall belong to the Company which shall be obliged to account to the former member or other person previously entitled as aforesaid for an amount equal to such proceeds and shall enter the name of such former member or other person in the books of the Company as a creditor for such amount. No trust shall be created in respect of the debt, no interest shall be payable in respect of the same and the Company shall not be required to account

for any money earned on the net proceeds, which may be employed in the business of the Company or invested in such investments (other than shares or other securities in or of the Company or its holding company if any) or as the Board may from time to time think fit.

- 25.3 For as long as the Trust Deed remains in force, the Company may only exercise the rights under Articles 25.1 and 25.2 subject to, and in compliance with, the provisions of the Trust Deed and Article 3.

26 Document Destruction

- 26.1 The Company shall be entitled to destroy all instruments of transfer, probate, letters of administration, stop notices, powers of attorney, certificates of marriage or death and other documents relating to or affecting title to securities in or of the Company ("**Registerable Documents**") which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the register if purporting to have been made on the basis of an instrument of transfer or Registerable Document so destroyed was duly and properly made and every instrument of transfer or Registerable Document so destroyed was a valid and effective instrument or document duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, provided always that:

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without express notice of the Company of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of any documents referred to in this Article or any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the Registrar on its behalf

provided always that this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document might be relevant to a claim.

27 Annual Returns and Filings

The Board shall make the requisite annual returns and any other requisite filings in accordance with the Act.

28 Accounts

28.1 The Board shall cause to be kept such books of account as are necessary to give a true and fair view of the state of the Company's affairs and to show and explain its transactions and otherwise in accordance with the Act.

28.2 The books of account shall be kept at the Company's principal place of business in Hong Kong or, subject to the provisions of the Act, at such other place or places as the Board thinks fit and shall always be open to the inspection of the Directors.

28.3 The Board shall from time to time determine whether, to what extent, at what times and places and under what conditions or regulations, the financial statements and books of the Company, or any of them, shall be open to the inspection of the members (other than officers of the Company) and no member shall have any right of inspecting any accounts or books or documents of the Company except as conferred by the Act or any other Relevant Act or Regulation or as authorised by the Board or by the Company in general meeting.

28.4 The Board shall, commencing with the first annual general meeting cause to be prepared and to be laid before the members of the Company at every annual general meeting a profit and loss account for the period, in the case of the first financial statement, since the incorporation of the Company and, in any other case, since the preceding account, together with a statement of financial position as at the date to which the profit and loss account is made up and a Directors' report with respect to the profit or loss of the Company for the period covered by the profit and loss account and the state of the Company's affairs as at the end of such period, an Auditors' report on such financial statements prepared pursuant to Article 29.1 and such other reports and financial statements as may be required by law.

28.5 Copies of those documents to be laid before the members of the Company at an annual general meeting shall not less than 21 days before the date of the meeting be sent in the manner in which notices may be served by the Company as provided herein to every member of the Company and every holder of debentures of the Company, provided that the Company shall not be required to send copies of those documents to any person of whose address the Company is not aware or to more than one of the joint holders of any shares or debentures.

28.6 To the extent permitted by and subject to due compliance with these Articles, the Act and all Relevant Acts and Regulations, including, without limitation, the rules of the Exchange, and to obtaining all necessary consents, if any, required thereunder, the requirements of Article 28.5 shall be deemed satisfied in relation to any member or any holder of debentures of the Company by sending to such person instead of such copies, not less than 21 days before the date of the annual general meeting, in any manner not prohibited by these Articles and the Act, a summary financial statement derived from the Company's annual financial statements, together with the Directors' report and the Auditors' report on such financial statements, which shall be in the form and containing the information required by these Articles, the Act and Relevant Acts and Regulations, provided that any person who is otherwise entitled to the annual financial statements of the Company, together with the Director's report and the Auditor's report thereon may, if he so requires, by notice in writing served on the Company, demand that the Company sends to him, in addition to the summary financial statement, a complete printed copy of the Company's annual financial statements, together with the Directors' report and the Auditor's report thereon.

29 **Audit**

29.1 The Auditors shall audit the profit and loss account and statement of financial position of the Company in each year and shall prepare a report thereon to be annexed thereto. Such report shall be laid before the Company at its annual general meeting in each year and shall be open to inspection by any member. The Auditors shall at the next annual general meeting following their appointment and at any other time during their term of office, upon request of the Board or any general meeting of the members, make a report on the financial statements of the Company in general meeting during their tenure of office.

29.3 For as long as the Trust Deed remains in force, the Auditors of the Company and the auditors of the Trust and the Trustee-Manager shall, at all times, be the same person or firm.

29.4 Every financial statement audited by the Auditors and presented by the Board at an annual general meeting shall after approval at such meeting be conclusive except as regards any error discovered therein within three months of the approval thereof. Whenever any such error is discovered within that period, it shall forthwith be corrected, and the financial statement amended in respect of the error shall be conclusive.

30 Notices

30.1 Except as otherwise provided in these Articles, any notice or document may be served by the Company and any notices may be served by the Board on any member either by sending it through the post in a prepaid letter addressed to such member at his registered address as appearing in the register, or by leaving it at his registered address as appearing in the register, or, to the extent permitted by the Listing Rules and Relevant Acts and Regulations, by electronic means by transmitting it to any electronic number or address or website supplied by the member to the Company or by placing it on the Company's Website provided that the Company has obtained either (a) the member's prior express positive confirmation in writing or (b) the member's deemed consent, in the manner specified in the Listing Rules to receive or otherwise have made available to him notices and documents to be given or issued to him by the Company by such electronic means, or (in the case of notice) by announcement published in the manner prescribed under the Listing Rules. In the case of joint holders of a share, all notices shall be given to that holder for the time being whose name stands first in the Register of Members and notice so given shall be sufficient notice to all the joint holders.

30.2 Notice of every general meeting shall be given in any manner hereinbefore authorised to:
